## Paragraphs.

Brors, like steams, upon the surface flow,
He who would search for pearls must dive below.
A New York apothecary announces,
"Buy your vaccine virus here, our calf
is a great deal sicker than that of any
other establishment."

The jolly local of a paper in Boone county says: "Come where my love lies dreaming—and see how she looks noors A SHOPS. without any paint on her face."

Bad habits are thistles of the heart, HATS & CAPS. and every indulgence of them is a seed from which will spring a new crop of

smallest fingers may play heaven's sweetest tune on earth. Seven years of silent inquiry are useful to a man to learn the truth, but

fourteen to learn how to make it known to his fellow men.

"Talk about the jaws of death!"
exclaimed a man who was living with
his third scolding wife, "I tell you
they're no touch to the jaws of life!" Affectation in any part of our car-

ringe is lighting up a candle to our defects, and never fails to make us wanting sincerity.

"Are you guilty or not guilty?" asked the clerk of arraigns, of an Irish prisoner the other day. "An sure now," said Pat, "what are you put there for but to find that out?"

The bayonet derives its name from the place where it was invented, Bay-onne, in France, and was first used in battles as a weapon by the French in the year 1603, and soon became uni-Polite Clerk-"Can I show you

anything else to-day?" Lugubrious Customer-"No, I reckon not. I lost two borses and my wife last fall, and I feel putty poor. Good span of borses too." borses, too. A South Carolina Legislator sent

up the following memorandum to the Clerk: "Leeve is asked to bring a Bill to altar the time for the Legislater to meat. Referred to the comity on Religion."

Fort Pickering mound, where history locates DeSoto, when he took a glimpse at the Mississippi from President's Island to the Hen and Chickens, has been transformed into a beer garden and dance ground.

A well-bred person never heeds an impertinent remark. A kind of discreet deafness saves one from insult. from much blame, and from not a little apparent connivance in dishonorable conversation.

A young lady in a Massachusetts town has taken up dentistry for a liv-ing. All the gentlemen patronize her. One young man has become so hopelessly infatuated with her, consequently he hasn't a tooth in his head.

An aged negro made application for food at Washington, claiming it as a Constitutional privilege. "Why," said he, "I understand dar's provisions in de Constitution for de colored folks, and I haven't had de fust crumb

When we think that every house might be cheered by intelligence, disinterestedness, and refinement, and then remember in how many houses higher powers and affections of human nature are buried as in tombs, what a darkness gathers over society.

A Boston minister says he once preached on "The Recognition of Friends in the Future," and was told after service by a hearer that it would be more to the point to preach about the recognition of friends here, as he had been in the church twenty years and didn't know any of its members.

who has undertaken to supply all the citizens in the lower end of the enemty with food and raiment at exceeding low rates from his mammoth store in and didn't know any of its members.

Some ingenious Yankee has invented a process by which maple sugar can be made out of common New Orleans molasses, flavoring it by steam they will make honey from cod liver oil, flavoring it with bees wax.

Before you ask a favor of any man just consider three things: First.— Hardware, Queensware, Tioware, Castings, Plows
Can you not avoid it? Second. Can
the one you apply to grant it? Third

the one you apply to grant it? Third the one you apply to grant it? Third. Would you, if your places were reversed, do for your friend what you ask him to do for you? It is well to think of this, as it may change the whole

Olive Logan commenced one of her dectures at Newark, recently, with the remark: "Whenever I see a pretty girl, I want to clasp her in my arms. So do we," shouted the boys in the gallery. For a moment Olive was non plussed, but recovering her self-possession, she replied, "Well boys, I don't blame you."

A man who can retire from the world to seek entertaiment in his closet has a thousand advantages which other people have no idea of. He is mas ter of his own company and his own pleasures, and can command either the one or the other, according to his present circumstances or temper. All nature is ready for his view, and all sges of mankind appear at his call.
He can transport himself to the most distant regions, and enjoy the best and politest company that ever the world afforded.

A beautiful young lady who had allowed the tendrils of her heart to twine fondly around a strapping great con-ductor on a hore-car, had ber affection ate nature crushed by the discovery that he was taking fare from her, and dead heading another girl who lived on the same street. She did not eat pickles and pine away, but wrote him an affecting epistle, which read? to get me a paisier shawl and a dotty varden before Sunday or I will put an awning over that girl's eye the next time I meet her in society. You heer Dress Fabrics, Silks,

IOSHANNON

AND LUMBER COMPANY

I EMBRACE this method of informing the public, that I have opposed up a yard for the sale of wood or coal-burnt LIME and Anthencite COAL, in the borough of Charfield, and have completed arrangements with eastern dealers by which I can keep a full supply constantly on hand, which will be disposed of at reasonable rates, by the tun, bushel or car load, to suit purchasers. Those at a distance can address me by letter, and obtain all necessary information by return mail.
