A Good SELECTION .- The Harris people may be estimated from the burg Patriot says : "The appointment practice of those who act and speak of Col. Thomas C. M'Dowell for Chief for him. He has suspended the rules of the Bureau of Mineral Statistics, by Governor Geary, is generally mentioned with favor by the press of the Statistics of the competitive examinations in the evidence of his candor on that meas-ure. He recommended Amnesty, and the State. This bureau was created his representatives in Congress vote by the last Legislature, through the and speak against it. He advised reefforts of the labor reformers of the soinding the income tax. His follow State, who regard Col. M'Dowell's ers in Congress refuse to repeal it, and appointment as a fitting recognition appointment as a fitting recognition the end of the chapter. He speaks of their organization.

Vention to endorse them but will abde its action.
The State Convention gave for the strenge cort of juster in the minority wideh we do not like to make thartant's meninonizes the steam the strenge cort of juster the while to make thartant's meninonize was a significant fact, and one which we cannot overlood,"
At Wonx.—The State Convention gave which we cannot overlood,"
In a different that " hat be spect a beautor Albert and the spect about to any from the strenge cort of juster dots and the strenge cort of justers that the necessity for putting Georgia the strenge cort of justers that the necessity for putting Georgia the the people and erm millions more released under matrial a was urged in Wash.
What a catalogue of blueders the first ball, but there was a biling of the barometer which presents the strenge cort of the first balled. But may before the stellar of the thicres millions more released. But the was before the registrator to the first balled or all or mate ta dollar gone into the stellar of the stel

J. BLAKE WALTERS, Chairman Dem. Co. Com.

GRANT LIKE .- Grant's sincerity in recommending reforms and removal of burthens from the shoulders of the is to be found that even beggarly for General Hartrant to show Spain laughs at us and stands ready fully of Verkes' testimony if o annihilate the remnant upon short notice. The property is gone beyond recovery, but a suitable reward will be paid for the detection and convic-tion of the thieves. If the American navy was the only thing that had been stolen, the people might repair the burglary without so much trouble. official corruption at whatever hazard. with a forked tongue, and there is neither honesty nor anything else

Johns organion Proceeding, in allocating, in allocati

DIRTY WORK.—Gen. Negley is not exactly selling cadetships to "raise the wind," but he is evidently at dirty work. An exchange says: "Negley, a Radical congressional ross tor from the region round about Pitts to row the region round about Pitts. ter from the region round about Pitts. burgh, has been chosen as foreman of a crowd of swindlers, who aro at-tempting to rob the treasury of about one handred millions of dollars. He bas introduced into Congress a bill to pay railroad companies full fare for all soldiers carried by them during the war. Part of the money he would receive ander his bill, is to be used as a Radical campaign fund, to secure the re-election of Grant." What great financiers these Radical states

a Radical campaign lund, to secure broker, as our realers are aware, is Some Detroit women, of the practi-the re-election of Grant." What great financiers these Radical states the peniton in operations of this nature, men are in a personal way. If they would study the national debt as system that the paid to John F. Hartrant eted here lence, painted one room and the second study the second study the national debt as system and the paid to John F. Hartrant eted here lence, painted one room and the second study the second study the national debt as system and the paid to John F. Hartrant eted here lence, painted one room and the second study the men are in a personal way. If they would study the national debt as sys-

tematically as they do their own pri-vate interests, it would melt away like snow flakes before an April sun. Lost on Stolks.—The Pittsburgh

Lost on STOLKS.—The Pittsburgh Post says: "Some cruel wag issues an advertisement which publishes as lost, strayed or stolen, the American navy, atrayed or stolen, the American navy, for which the people paid \$500,000,000 during the war, and has since been paying \$20,000,000 a year. No na-tion ever spent so much money for ships of war, and yet so little of them in to be found that can be form and attes which would render it perfectly easy One wing of the Radical party in to the sincing made on the 20th day of April, 1879. Here are given amounts and dates which would render it perfectly easy which would render it perfectly easy or wing object. This cripples the ad-criministration bird in Arkansas, and he ministration bird in Arkansas, and he falsity of Yorkes' testimony, if false it is. And until he or his immediate ocratic fowler. THE TROUBLE BREWING .- George Wilkes, of the Spirit of the Times, formerly one of Grant's most subsor-

vient admirers, now opposes his re-nomination and election. In a late article in his newspaper, he says he desires "to predict that Grant may be magistracy of the State." beaten before he becomes a candidate ;

How MARYLAND STANDS.—The Bal-timore Gazette—strong against Gree ley—classifies the Democratic rural journals in Maryland, so far as heard from, thus : 7 who call for a straight-out Democratic ticket; 20 who sub-mit the matter entirely to the Nation al Convention; and 4 who endorse Greeley and Brown, and arge the Con-vention to endorse them bat with abide its action. THE DIFFERENCE.—Tweed, Murphy & Co. stole about twelve millions of dollars, and the Democratic officials and chizens of New York at once took steps to pumish them and have the bintry millions in South Carolina, alone, and Grant and all his paid journals in abide its action. Hore all for a straight-out Democratic ticket; 20 who sub-mit the matter entirely to the Nation al Convention; and 4 who endorse Greeley and Brown, and arge the Con-vention to endorse them bat with abide its action. Hore all for a straight-the country are trying to get him out of the difficulty. but should he run in the next canvass. we will further predict, that he will be sloughed off along with the spoils Republicans, like a dead branch from the wholesome body of the country with an adverse majority such as never disgraced a Presidential candidate before - Roscoe Conkling and Henry Wilson to the contrary notwithstand ing By and by we shall be more free to speak on this subject."
