THE LATE FRESHET .- The excessive ble damage in the northern portion of the Stat and in the Juniata Valley. There was a fine need in the West Branch below the mouth of Clearfield Creek, and a good run of logs and tim ber was had out of the latter stream. There was no rise in the river above the mouth of Anderson eplashes. The heavy rate did not extend further up the river than that point. nahoning, Clearfuld Creek and the rive

below this place are nearly cleaned out of lumber; up are blockaded with timber awaiting a rise to get to market. A large portion of the lumber on Chest Creek and the river is old stock held over from last year. above low water mark on Tuesday night. The railroad bridge at Linden, which had been de-

stroyed by fire a few weeks before, was so far un der way that the cars were passing over, and a large number of loaded cars were run upon it, but the flood washed the treastle work away, and precipitated cars, loading and bridge into the river to the consternation and loss of the railroad of

The Juniata River was higher than it has been for twenty years, doing considerable damage to buildings and crops below Huntingdon. The timber sold brings remunerative prices, and the only draw back to "flush times" is the short

It was the privilege of the writer to attend the closing exercises of the female department of the Clearfield Academy, on Thursday last. The chee ful faces of the young ladies, the creditable exam ination in class studies and the more entertaining nes, songs and dialogues, by which the ex nation was relieved, could not fail to please FOURTH.-Those of our readers of Miss Mitchell, who, as regards accomplishment aptness to teach, and personal address, is most an ply qualified for the position she fills. Under her on the young ladies went through the say eral parts assigned them in the programme, giving,

to far as we could judge, general satisfaction It would be pleasant to the writer, and possible name, and give to each the words of commends grand pic-nic in Clarion un the 4th. The tion so richly merited by personal excellence. But a little ancient, but the daughters are of as praises are multiplied they cease to be impresive, and it would be unjust as well as ungener BUCKWHEAT.—An old farmer register of class standing would doubtless show much of difference between them, which is not so at this season. He says the growing of evident in the commencement exercises; but in the was nearly abandoned in that county, general joy which inaugurates vacation, let all be
