When and his brother in law always got the church, Chicago, is said to have been caused by the introduction of a few builds his stables with part of the asked "why he didn't bring out some Greeley badges, such as the people wanted," and another wanted to know "what relation the peddler was writes Joe Hooker, "and I know that men whom he keeps in power at the to Grant." And thus the poor fellow went through the boat, selling not and one badge the whole trip, and dolefully declaring he was sorry he made

A BRISK AGE.—This is an age of hurry, and the post card is the perfect present school hurry, and the post card is the perfect expression of the age. The old courtesies as follows:

tesies of society—its coremonious bow, its well turned compliments, its refinement of address and demeanor—have all vanished with the leisure which produced them. Nobody has time to play Sir Charles Grandison in the crush of a modern drawing room, where intercourse is reduced to a passing bow, and conversation to a modern to the conversation to a modern to the crush of a modern drawing room, where intercourse is reduced to a passing bow, and conversation to a modern to the conversation to a modern to the crush of a modern drawing room, where intercourse is reduced to a passing bow, and conversation to a modern to the conversation to a modern to the conversation to a modern drawing room.

But the defendance of the respective data and state the conversation to a modern to the conversation to the conversation to a modern t the crush of a modern drawing room, where intercourse is reduced to a passing bow, and conversation to a friendly epigram. The artist sends pot boilers to the Academy, and "wishes he had time" for nobler work. The very scholar rushes for sheer life through phamphlets and octavos, and dismisses his dusty folios to the gar. We have discarded hour glasses our pulpits, and cut down the tion.

J. A. director, or the control of the present that they our pulpits, and cut down the tion. from our pulpits, and cut down the ties sermon to twenty minutes. Our very olidays are a race against time, and the tourist returns triumphant at having done Syria and the Pyramids in a month. The post card is the fitting correspondence of an age like this-of a world which believes itself too busy to put a sheet of paper into DANIEL STEWART & SON We are proud of it, as an envelope. We are proud of it, as we are proud of our express trains and our telegraphs. It helps us to hug ourselves on the whirl in which we live, and the wonderful way in which we manage to live in it -Saturday

government throughout the portions Harrisburg, filled the vacancy in their col. Robert P. Dechert has been re- of the Southern States visited by me, State ticket by selecting a "distinment to the negroes, this may do well enough; but if their affection for the well as of honor.

Down WITH THEM !- "Down with the Treasury Ring ?' is the cry that comes to us from every section of the If you want to get good and stylish Clothing State. Down with Cameron, Mackey, Hartranft, Allen, and all the other conspirators against the public good !-Twenty five Republican newspapers ery, "Down with them!" Thousands of honest Republicans cry, "Down with them?" The entire mass of Democratic voters cry, "Down with them?" No quarter should be given them. The State must be rid of the Cameron rule, and 1872 is the year for doing it.

Packing.—A Washington cores.

ponpent of the 25th ult., says Vice President Colfax commenced to day to pack up his furniture preparatory to vacating Washington and retiring to private life. On the other hand, the Executive Mansion is undergoing repairs and renovation at the suggestion Constitution of Pennsylvania. Mrs. Grant, with the full conviction teat she will enjoy the improvements for several years to come.

Too Ban .- The negro legislators of South Carolina are pressing a bill "to prohibit State officials from leaving the State, except with the consent of the Legislature." That is unkind to Governor Scott and Treasurer Parker, who are preparing to join ex Gover-nors Holden and Bullock in the North. They think the South unhealthy for them just now. THE HERMIT .- Mr. Hatch, formerly

Mayor of Cincinnati, and a gentleman of wealth and intelligence, now lives the life of a recluse on the island of the life of a recluse on the island of St. Vincent, Fin., which he owns. The island contains 7,000 acres and swarms with deer and cattle. Mr. Hatch has but a servant or two, sees but iew visitors and is monarch of all no surveys.
