

GEORGE B. GOODLANDER,

CLEARFIELD, PA. WEDNESDAY MORNING, DEC 26, 1872.

No PAPER NEXT WEEK .- In accord once with our usual custom, no paper will be issued from this office next was plain proof of fraud in a thousand

until the 6th of next January. And the government" has gone on a visit to its father at Covington, Kentucky, where the post office duties are discovered by the proceeding to the post office duties are discovered by the proceeding to the post office duties are discovered by the proceeding that he had not before him, incharged by a clerk from Washington, stend of Brown, some of those who while the aforesaid father draws his had induced him to vote illegally,

was the time fixed by the Governor to cleat a Congressman in the Brad- Mr. Brown is barely immured in But he did not.

PHILADELPHIA ELECTION FRAUDS .city. If the Democrats had as little frauds in this city in the last ten years regard for law and solemn oaths as did not stay in jail more than a month. the Radical leaders in that city, they There is a general desire that Mr would rise up in their might and and that some of his friends join him drive the secondrels out of their of in his involuntary exile .- Press. fices at the point of the bayonet or shoot them like dogs. What the Press says is true. It is no Democratic lie, and if things do not soon

Is this a Republic?

Behold the federal asserpations in outlay for keeping up the Presidential dance in Alabama, a mob rating South torthat time. During Mr. Buchanan's Carolina, where the Legislature re. administration the cost was \$94,900, moves Justices for issuing warrants said while under tien trant than renemed the interlocutory order of a petty against members for taking bribes, under the names of furniture, repairs, and then again ask, if this is a Repub- fuel, attendance, grounds and greenlie why are knaves and the most ig- house, tences, stubles, and contingent government consisting of the followcorant and degraded specimens of hu expenses, but, if thoroughly sifted, manity allowed to control affairs? manity allowed to control affairs? domestic objects. That money can be thus illegally diverted has been caustically remarks that "Attorney shown by the erection of the Presi-General Williams answers the despatch dent's stables (costing some \$40,000) of Col. McEnery, of Louisiana, the out of the appropriation made for the Liberal candidate for Governor at the new Department of State. The secrerecent election, by stating that the not iscluded in this list: President has recognized the legality of the Pinebbeck government and that there is no necessity for his visiting Washington. This answer ought to settle the difficulties, but we are afraid that its effect will not be that of oil on troubled waters. In Alabama there is a probability that the clive branch of the Administration will bring about peace between the contending factions. In South Carolina Patterson seems to have triumphed over all his foes, the citizenry !"

Louisiana, Texas, Tennessee, Ken-tacky and Missouri. He also carried

The Legislature will meet in two bauch the Legislature against Camweeks. The constitutional convention will meet the same day in Philadelphia.

Postmaster Barnes and Deputy
Postmaster Bracey, of Bolton, Mise, have been arrested, charged with robting the smalls. They failed to procure ball in \$5,000 each, and were care, has been appointed Marshal of the U.S. Supreme Court.

Cameron ness prothree times?

John J. Nicolay, of Illinois, who supervisors who served at the late supervisors who served at the late cleetion in New York city will be paid about \$75,000.

A Fellow that Ought to be Punished.

wock. Ws wish our patrons a merry cases. The prosecution, of course, was in an United States court, and conviction followed it. The repeater was sentenced on Saturday last by Judge

Unnecessary Expense -Yesterday their tool." So far, so good; but

ford district, to fill the vacancy caused the penitentiary when the men who by the election of Judge Mercur to the Supreme Bench. The vacancy to be filled runs out on the 5th of March tions, and whom his Honor had so next. Had Judge Moreur possessed strongly intimated a desire to punish, the requisite modesty, he would have resigned after he was nominated for Judge, and allowed his place to be filled at the October election. As it is it will cost the taxpayers of that district \$4,000 to elect a Congressman ever may be urged in extenuation of for sixty days. The whole scheme is a dirty trick, and we are sorry to the time he committed the crime a state that a gentleman who has just member of the Fire Department of taken his sent on our Supremo Beach this city and a public servant, possesshad a hand in the job, and could have ing almost police powers, and was saved his constituents just \$1,000.

But he did not man is in the President's hands. We hope our readers will peruse the do not believe that be will obey the article in this issue taken from the dictates of the chiefs of the criminal classes of Philadelphia, whatever may Philadelphia Press relating to the late election frands perpetrated in that only other man convicted of election

Radical Royalty.

The Patriot of Washington city tells the true story when it says : It has been our boast that the Chief change for the better we shall advo- Magistracy of the Republic is a civil ente revolution. If thieves and rob- dignity, maintained at small cost, and bers are to own and control every-thing, government may as well be this was once true, but unfortunately abolished and crime be rendered re- it no longer exists. We have been abounded with a special point of the special point spectable. For such it appears to be gradually drifting away from the plain
