GOING UP.—We last week noticed the 10,000 acre sale of timber hands, at \$550,000, in the northern portion of the county, and now learn from the Williamsport Epitomiet that the purchasers have refused un offer of \$100,000 for their bargain.

The Pressure Post—The prose

THE PITTSBURG POST.—The pros- three feet blick; the lifth, three feet nine inches cetus of this old and substantial Democratic thick; the sixth, five feet thick. Between the purnal will be found in this issue. If any of our third and fourth veins he found fire-brick clay eaders desire to subscribe for a newspaper pub- from three to five feet thick, iron ore three fee

antacas" which broke out between the miners and operators about Christmas, at Osceola and Houtzdale, is still unadjusted, to the great detriment of titles. dale, is still unadjusted, to the great seems to have everybody. Good common sense seems to have the Karthaus furnace, worked so far back as 1832, been superseded by felly, or perhaps something but discontinued (for want of transportation, says

The Bellefonte Watchman says that the ore was got from a drift that run under the A. Boyd Henderson, late Cuban correspondent of above-named six-foot coal vela, and the limestone the New York Herald, has been tendered the poeitien of Pacific coast correspondent, at \$5,000 the canal would run to this point, and when it was per year. Whether our during friend will assume fixed that it would not, the making of iron was dishe "chief" of the "exposition" to that part of continued, and to this day a large amount of or

On HAND .- Yes, the Standard is on hand, considerably changed in form but not in Railroad Company has been obtained within the spirit. "Joe" thus mixes our lawyers up with other institutions: "Clearfield, Clearfield county, sens of Clearfield and Clinton, with right of way has three banks, fifteen lawyers and two barber shops. The last yets are expected to emigrate we believe nothing has been done towards the con-

The Williamsport Sun says the of the valuable resources of Clinton, we have laid usport these facts before our readers, and if there be any to receive and give them publicity through the rented, stole furs and clothing from the people columns of the Democrat." wounded at the Newberry disaster.

VERY PROUD .- Our Huntingdon VERY PROUD.—Our Huntingdon to the following statement, furnished us by our engine. It cost \$5,000 and \$2,000 for the hose. After attaching 1,000 foot of hose, it threw the Goshen has not depreciated : After attaching 1,000 feet of hose, it threw the water over the steeple of the Presbyterian church, which is 165 feet high. The machine squirts at the rate of 400 gallons per minute. It is a third class rotary, and was manufactured at Sensen Palls, New York. So says the Globe.

Guilty.—James B. Work, Clerk to the County Commissioners of Indiana county, was the County Commissioners of Indiana county, was

the County Commissioners of Indiana county, was the County Commissioners of Indiana county, was found guilty of forgery last week, in that he had issued county loan bonds contrary to law. The sending amount of grain was raised is 30, averaging amount of grain was raised is 30, averaging amount of grain was raised in 30, averaging about 40 accendered land, including meadow audit the county account report a deficiency of audit the county account report a deficiency of \$70,000, but magnanimously credit the County Commissioners with \$12,000 as a discount on mount of each kind of grain raised by him, but bonds legally sold, and thereby make the county loss but \$85,000. They are cridently in need of \$1,100 bushels; rye, \$802 bushels; cats, some reformers over in loyal Indiana.

Too Fast.—Brother Stroop, of the Tyrone Descent, gets off the following:

For fast driving the Messers Flynn brothers, of anosvills, take the paim. On Christmas even bey drove from that place to this eity, a distance the paim.

For fast driving the Messrs. Flynn brothers, of Janewille, take the palm. On Christmas eve, they drove from that place to this city, a distance of thirteen miles, in one hour and live minutes. This is certainly an encouraging agricultural report, and accounting to prices in our market the products of those 39 farms would be worth \$28,000, or nearly \$725 to each farm. This does not inade a feat that few horses will accomplish. Such a horse should be kept for more than ordinary service.

Mr. Shirey is entitled to credit for gathering the

There are few persons who are aware of the importance of attending to a cough or a cold at its lirst appearance. The thousand who die amounty of consumption, were first attacked with a "slight" cough or cold, which they thought would soon "wear" itself of, and therefore peglected to use the proper remedies until they became insurable.

Every day that a sough, cold, or any lung disease is neglected, makes the chances of a cure more unesetain. We would recomment all suffer, ing from any disease of the Lungs whatever, to use Hassox's Convexes Svary or Tan. It never fails in curing the worst cases of eaughs, ends, hearsuress, suce throat, catarrh and asthma. It is an infallible remedy for Whooping Cough; heing prescribed by some of the leading physicians tiemen have been secured to work and superintend project at some future time. Musical.-Those in need of a Pia der's. They will sell you a first class instrument it mostly ego, sported two enormous tasks is killed two full grown bulls by ripping their and guarantee it for five years. And should it has it is compared to get and of order or tune, they are right to put it in order, so that you need not a guarantee it for five years. And should it has it is no "Quack" preparation, but made strictly in accordance with the advanced requiring at hand to put it in order, so that you need not a greatest the same manner. These valorous deeds sprend your time, memoy or patience on a traveling of medicine. Price 50 cents per bettle.

RUSEKIL & LANDIS, Proprietors, Philadelphia, Sold by A. I. Shaw, Clearfield, Pa., and by all Druggits.
