THE REPUBLICAN.

CLEARFIELD, PA.

WEDNESDAY MORNING, JAN. 15, 1873.

Soldiers' Bounty Land Bill.

On the 12th inst. the House passed the following bill, relative to soldiers' bounty land:

SEC. 1. That every private soldier, musician and officer, who served in the army of the United States during the late war for ninety days and was honorably discharged, including the troops mustered into the service of the United States by virtue of the third section of the act entitled an "Act making appropriations for completing the defenses of Washington and for other purposes," approved February 13th, 1862, and every seaman, marine and officer and other person who served in the navy of the United States or in the marine corps, during the late war for ninety days and was honorably discharged, and the widow of any such soldier, musician, seaman or officer, or if there be no such widow, his orphan children under twenty-one years of age, shall be entitled to enter a quantity of the public lands not mineral, not exceeding 160 acres, (or one quarter section) which shall be composed of continuous tracts, according to the legal subdivision, including the alternate reserved sections of the public lands along the line of any railroad or other public highway, or other lands subject to entry under the homestead laws of the United States, and receive a certificate of such entry without the payment of any government fees.

SEC. 2. That such entry shall be made in the name of the person entitled as above to make the same, in person or by agent, under such regulations as the Secretary of the Interior shall prescribe, and a patent for lands so entitled shall be issued only to such soldier, musician, seaman and officer, or to his widow or orphan children, as provided for in the 1st section of this act, but no sale of such land or of any interest therein, or power of attorney authorizing such sales or other contract or agreement in any wise affecting or concerning any such land, made, executed or entered into prior to the issuing of the patent therefor and the actual delivery of the same to the person to whom issued, shall be of any effect whatever, but shall be null and void.

SEC. 3. That the Secretary of the Interior shall prescribe the rules and regulations to carry the several provisions of this act into effect.

The bill as amended was then passed—yeas 116, nays 55.

Power of Comprehension.

It was said of Thoreau, we believe, that he could take up any given number of lead pencils without counting. A celebrated trapper once assured us that he could tell how many balls he had in his bullet pouch by placing his hand on it, without stopping to count them, and added: "I can tell the number of bullets instantly, without stopping as you pronounce a word without spelling it." Southey was accustomed to take in the substance of a book in turning the leaves over continuously, glancing down the pages. Houdan, the magician, trained himself to quickness of perception, when a boy, by running past a show window at full speed, and then trying to tell what was in it. We once saw a man on a canal boat who was amusing himself by going from passenger to passenger and telling almost every one where he had seen him before on such a train, in such a hotel, in such a street giving date and place to people with whom he had never exchanged a word. This training of the faculties in particular directions is carried to a marvelous extreme by backwoodsmen, trappers and men who guess the weight of animals. Perhaps the most remarkable instances are the markers who leap from log to log at the mouth of a boom, standing on the log, and translating instantly an old mark into a new one, remembering what equivalent to give for each of a hundred marks, and chopping it upon the log in the time that it floats its length. It is said that Thoreau knew the relative order of flowering of all plants in the Concord woods, and knew the note of every bird, and a thousand out-of-the-way things besides.—*Hearth and Home.*

SWEET HOME.—Theodore Parker says: I never saw a garment too fine for a man or maid; there was never a chair too good for cobbler, or cooper, or king to sit in; never a house too fine to shelter the human head. These elements about us, the gorgeous sky, the imperial sun, are not too good for the human race. Elegance fits man. But do we not value these tools of housekeeping a little more than they are worth, and sometimes mortgage a home for the mahogany we would bring into it? I had rather eat my dinner off the heard of a barrel, or dress after the fashion of John the Baptist, in the wilderness, or sit on a block all my life than consume all myself before I get to a home, and take so much pains with the outside that the inside was hollow as an empty nut. Beauty is a great thing, but beauty of garments, house, and furniture is a very tawdry ornament compared with domestic love. All the elegance in the world can't make a home, and I would give more for a spoonful of real hearty love than four whole shiploads of furniture, that all the upholsters of the world could gather together.

A GERMAN PROPHECY.—The Cincinnati *Commercial* has been shown an old almanac printed in Nuremberg in the year 1800, in the German language, edited by D. Mauritio Knauren, in which it is stated that at that time there was raging in portions of Germany and throughout the Holy Roman States an epizootic of horses and cattle. The good Abbe then proceeds to predict that under the influence of the planet Mercury, which then reigned, there would be recurrences of this disease in the years 1872, 1879, 1886, 1892 and 1900. He also gives an account of the treatment then used.—Some of the remedies he mentions are now in use. In predicting this sickness in 1872 he says: "The sickness will be great in that year, mostly late in the Fall."

The Surgeon-General's report shows that while one white soldier in five costs the country a doctor's bill every single colored man in the service does; and while one white man out of sixty-five dies the mortality among the blacks is one in fifty-five.

WISHART'S PINE TREE

TAR CORDIAL,

NATURE'S GREAT REMEDY FOR THE

Throat and Lungs.

It is gratifying to us to inform the public that Dr. L. Q. C. Wishart's Pine Tree Tar Cordial, for Throat and Lung Diseases, has gained an enviable reputation from the Atlantic to the Pacific coast, and from thence to some of the first families of Europe, not through the press alone, but by persons throughout the States actually benefitted and cured at his office. While he publishes less, so say our reporters, he is unable to supply the demand. It gains and holds its reputation—

First. Not by stopping cough, but by loosening and assisting nature to throw off the unhealthy matter collected about the throat and bronchial tubes, *which causes irritation.*

Second. It removes the cause of irritation (which produces cough) of the mucous membrane and bronchial tubes, assists the lungs to act and throw off the unhealthy secretions, and purifies the blood.

Third. It is free from squills, lobelia, ipecac and opium, of which most throat and lung remedies are composed, which allay cough only, and disorganize the stomach. It has a soothing effect on the stomach, acts on the liver and kidneys, and lymphatic and nervous regions, thus reaching to every part of the system, and in its invigorating and purifying effects it has gained a reputation which it must hold above all others in the market.

NOTICE.—

VINEGAR BITTERS

VEGETABLE. FREE FROM ALCOHOL.

PURELY. CALIFORNIA.

D. WALKER'S

VINEGAR BITTERS

Vinegar Bitters are not a vile Fancy Drink, made of Poor Rum, Whiskey, Proof Spirits and Refuse Liquors, doctored, spiced, and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the native roots and herbs of California, free from all Alcoholic Stimulants. They are the Great Blood Purifier and a Life-giving Principle, a Perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition, enriching it, refining and invigorating both mind and body. They are easy of administration, prompt in their action, certain in their results, safe and reliable in all forms of disease.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poisons or other means, and the vital organs wasted beyond the point of repair.

Dyspepsia or Indigestion. Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia. In these complaints it has no equal, and one bottle will prove a better guarantee of its merits than a lengthy advertisement.

For Skin Diseases, Eruptions, Tetter, Salt-Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-worms, Scald-Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effects.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when, and purge the blood pure, and the health of the system will follow.

Grateful thousands proclaim VINEGAR BITTERS the most wonderful Invigorant that ever sustained the sinking system.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. Scarcely a disorganized system can long
