ANNOUNCEMENT OF THE GREAT

REDUCTION OF PRICES!

BY S. PORTER SHAW, D. D. S.

IMPORTANT TRUTHS.

Maving successed in setting a lighter tariff on meterial, bence the low and successed charge for partial and full sels of Teeth. I ass the best manufactor of teeth and other material. All operations registered and warranted to give service and attaination.

Friends, reflect that my charges for the insertion of artificial and the saving of the natural teeth are now the must reasonable in Paragrayland. Processe your teeth and you preserve your health.

Patting of the natural teeth in a healthy, preservative and useful condition is made a specialty. Diseases and malformations common to the mouth, jour and associate parts, are treated and corrected

It would be well for patients from a distance to let me know by mail a few days before coming

let me know by mail a few days before coming to the office.

It is very important that children between the ages of six and twelve years should have their teeth essuined.

Amentholies are administered and Teeth removed without pain.

Dispositions and character are judged by all the world by the expressions of the face, hence how very disastrous may it therefore be for persons to indulge an expression of distorted features, even spart from a hygicale view. Now, 10 enjoy matural (not artificial) comforts and pleasures, respect and obey materal simplicities and instinct.

DEACE IN EUROPEI

BUT GREAT EXCITEMENT IN FRENCHVILLE!

The bloody contest between France and Prussia is at an end for the present, so far as the slaugh-tering of men and the destruction of property is concerned. The Royal Jugglers no donth pride themselves and rejoice over the result, but how insignificant is their work when compared with the humane and christian efforts of L. M. COUDRIET.
