England, will not amuse his children next Christmas with stories of Santa delivered to the listening audience. Claus; because he is disgusted with

THE GREAT LIAR .- Colfax wrote to that fabulous person. Last Christ-mas he determined to surprise the the State Central Committee last fall : "I cannot accept the \$100 you so kind-ly profier. My salary scarcely pays my expenses, but I never yet took a-cent for speaking for the cause I love, even for expenses in canvasses." Yet he swore since then that in 1868 one little ones by descending the chimney and playing Santa Claus for their benefit. So he dressed himself in a fur overcost, loaded up with toys, went out on the roof and jumped into the flue. When he was about half-way down he stuck, and could go neither Neshitt, a Government envelope contractor, on four several occasions, gave him \$1,000. Will Mr. Colfax explain 1 one way nor the other. Then he be-

gan to yell for belp, Mrs. Turner's brother, wholived in the house, thought it was a burglar, and he fired both the CLEANING TIN- WARE - Acids should

never be employed to clean tin-ware, because they attack the metal and rebarrels of his gun up the chimney at him. And then Turuer felt more dis-satisfied than at first. The neighbors thought from the excitement that the forms a thin coat. Rub the articles chimney must be on fire, and in ten first with rotton stone and sweet oil, minutes the fire department was out, and sixteen half-inch streams were of soft leather. Nothing else will give so good a polish.
