be held free from prosecution-pre-cisely what the bond robbers wanted. This sort of thing makes bank robberies and bond robberies the most lucrative and safest business going .-The thieves invest no capital; they enormous. Just so long as the sysmen will walk daily and watch night-

The fact is, it asserts, the salary grab was a touching evidence of mutual love. Congress passed the law not because its members wanted money, but merely to testify their ardent love for Grant and his interesting their argent love leadily; but if Massachusetts is confer Grant and his interesting their argent love leadily; but if Massachusetts is confamily; and Grant signed it, not because he was greedy to pocket the extra hundred thousand dollars, but because he thought the members ought to have the back pay. It is not often that in this wheked world we meet with such a glorious evidence of the with such a glorious evidence of the power of self-denial and of mutual love. How sweet and how pleasant love. How sweet love are so which are love love and the burning of favorite animals and the burning of numerous houses, are also the burning of numerous houses, are also the burning of favorite animals and the burning of numerous houses, are also to have to be said to be amount of the flag which are seed his large and the burning of fa family; and Grant signed it, not be- be satisfied.

Led by the Nosc. A few days ago we had an authoritative announcement that Simon Cam-cron was heavily on the war path— after Collector Comly's scalp, and that he had inveigled the President into a fishing excursion in order to accom-plish his purpose. Grant was not exctly aware of the snare set for him; and being eager to escape from a pro-posed visitation of Presbyterian mineasily entraped. The great Winne-bego chefftain, however, bad as he is, has little save personal grievances to engage his vindictive attention; but More Salary Steal.

Should this fanatical leader succeed in controlling the President in all brazen, criminal impudence of the major portion of our public men. The highly offensive manner by which the late Congress raised the salary of its members are salary of its manufactured and prices.
