It would be well for patients from a distance to let me know by mail a few days before coming to the office.

It is very important that children between the ages of six and twelve years should have their teeth expulsed.

ages of six and twelve years should have testh examined.

Annestheties are administered and Teeth removed without pain.

Dispositions and character are judged by all the world by the expressions of the face, hence how very disastrous may it therefore be for persons to include an expression of distorted features, even apart from a hygienic view. Now, to enjoy natural (not artificial) comforts and pleasures, respect and obey natural simplicities and instinct.

DEACE IN EUROPE:

DUT GREAT EXCITEMENT

IN FRENCHVILLE!

The bloody contest between France and Prusels is at an end for the present, so far as the slaughtering of mon and the destruction of property by concerned. The Royal Juggiers no doubt pride themselves and rejoice over the result, but how insignificant is their work when compared with the humane and christian efforts of L. M. COUDRIET.
