GEORGE B. GOODLANDER,

CLEARFIELD, PA.

WEDNESDAY MORNING, AUGUST 20, 1873. Democratic County Ticket. DR. T. J. BOYER, W. ROSS MEPHERSON. WILLIAM W. WORRALL.

PATRICT ATTENTS ... LEWIS C. BLOOM.

JURY COMMISSIONER, JOHN W. SHUGART, GEORGE THORN,

tramping through Maine and New Hampshire last week. Something wrong down there, or that trio would not be mousing among those burren

the children murdered in this way, but in our estimation a very slight burg for glass of suitable size. but we have no sympathy for the adult weight" for Supreme Judge. fools who roast themselves alive.

The contract for the erection of a The greed and ambition of the Radi-The contract for the erection of a new court house in Mifflintown, Junianta county, has been awarded to Messrs. Hetrick & Fleisher, of Newport, for the sum of \$42,300—the County Commissioners to furnish the brick. The Commissioners will district the time the building is compared to the first the building the first the building the first the fir cover by the time the building is com-pleted that it takes an awful number of the Nation, is their "richest placer."

The Washington Sunday Chronicle reof brick to build a court house.

of our exchanges persist in advertising issued from the comptroller's office influence of the Mackey Ring, to whom

dering his readers in a way as unlawful as horse stealing.

"A Democrat" has furnished the Times with another editorial, nearly a column in length. This was all done to assail Mr. Krebs, who is fully competent to defend himself. We doubt the Democracy of any man who seeks to distract the party in order to gratify personal spleen. His disingenuous method of dragging in party affairs is unbecoming and indellibly stamps the writer as an enemy of the party, no differences have much his many bitter enemies in this section among the Republicans of energy and high standing in the party. When the cutire medical profession of the State unite in the request in among the Republicans of energy and high standing in the party. When the cutire medical profession of the State unite in the many bitter enemies in this section among the Republicans of energy and high standing in the party. When the entire medical profession of the State unite in the party. When the entire death many in the party. When the entire medical profession of the State unite in the party. When the standing in the party. When the entire medical profession of the State unite in the party. When the entire medical profession of the State unite in the party. When the entire death many the product of the cities of the district." It is also charged that securities which two or three years ago sold for 96 cents, to day under the present regime, are hawked about the district at a discount of from 20 to 30 per cent in some cachange for groceries, and in some cachange for groceries, and in some cachange for groceries, and indeflibly stamps the writer as an enemy of the party, no of fifty cents on the dollar.

The New York Nation, in discussing of the Nachith buliers windle, has never been honored with a united voice that at least one of these worthy rest asserted that the purchase cache their crimes and the humane and just Governor to set up his weak opinions or selfash personal interests in hostility to the project. The northwest—leaving the abortive Marine Hospita difference how much he advertises himself to be a Democrat. It is just iter of the Receille and his man Frischet come more needful?—Erie Observer. It is just iter of the Receille and his man Frischet come more needful?—Erie Observer. It is just iter of the Receille and his man Frischet come more needful?—Erie Observer. or any other Radical organ is looking of hash. The editor defends his cor-

head this ticket.

Gen. A. B. Warford, a prominent Harrisburger and Civil Engineer, died Harrisburger and Civil Engineer, died in that city on Sunday. He was at one time President of the North Control one time President of the North Control on that city for stealing old iron. It is that city for steal

Startling Information.

The editor of the Times, although Last week was a decidedly stormy but a few months in the State, has week. The farmers in some parts of already made the following discovery: our county have sustained serious So far as we can learn, both Democrats and Republicans in all sections of the county will use their influence and withhold their votes from the present Democratic aspirants for office.

This allegation is half true. That

the Radicals in this State always with fered the most in this particular .held their votes from Democratic aspi- Millstone run and its tributares, which may be otherwise. That the Demo- out of root and drifted down the chancrats will withhold their votes is not nels, carrying along fences and bridges.

Journal is doing, but he does it like a man, squarely and honestly. We hope Democrats will now understand the position of the Times editor. His independence is a bold fraud, and he is torm, says:

"A terrible storm of wind and hail height; dark complexion; black hair, when he expired about half-past seven o'clock.

The deceased was 5 feet 7 inches in height; dark complexion; black hair, when he expired about half-past seven o'clock.

The "government," Gen. Babcock, its secretary, and Simon Cameron were the children is secretary, and Simon Cameron were the children is secretary, and Simon Cameron were the children is secretary. the editor of the Times is not a competent witness. Not having been in petent witness. Not having been in the State over three months, it is impossible for him to say who are and who are not Democrats. We know men who call themselves Democrats and vegetables genmen who call themselves Democrats are described in the state over three months, it is impossible for him to say who are and who are not Democrats. We know men who call themselves Democrats are described in the state over three months, it is impossible for him to say who are and who are not Democrats. We know men who call themselves Democrats are described in the state over three months, it is impossible for him to say who are and who are not Democrats. We know men who call themselves Democrats are described in the state over three months, it is impossible for him to say who are and who are not Democrats. We know who are not Democrats are described in the state of the destruction of grow influence of inspiration of Hollidays bury, and Mr. Calvin, of Hollidays bury, 300,000 acres of timber and to make of the George C. Welker, of Hollidays bury, 300,000 acres of timber and or of Hollidays bury, 300,000 acres of timber and or of Hollidays bury, 300,000 acres of timber and or of Hollidays bury, 300,000 acres of timber and or of Hollidays bury, 300,000 acres of timber of influence of inspiration of Hollidays bury, 300,000 acres of timber and or of Hollidays bury, 300,000 acres of timber and or of Hollidays bury, 300,000 acres of timber and or of Hollidays bury, 300,000 acres of timber and or of Hollidays bury, 300,000 acres of timber and or of Hollidays bury, 300,000 acres of timber and to make of Hollidays bury, 300,000 acres of timber and to make of Hollidays bury, 300,000 acres of timber and to make of Hollidays bury, 300,000 acres of timber and or of Hollidays bury, 300,000 acres of timber and or of Hollidays bury, 300,000 acres of timber and or of Hollidays bury, 300,000 acres of timber and or of Hollidays bury, 300,000 acres of timber and or of Hollidays the State over three months, it is impossible for him to say who are and who are not Democrats. We know

Court House cliques and rings—small rings—but he can swallow a State House, or White House, or Congressional ring with ease. He is one of the brood which strain at gants but can swallow a camel or two at one gulp.

DEAD.—Hon. Wm. M. Meredith, President of the Constitutional Convention, died at his home in Philadelphia, on Sunday, the 17th, in his 77th year. His death has been expected for some time. The Convention has corrupt and unserupation and his corrupt and unserupation. The recommendation of the first ballot distance of near one hundred yards. A portion of the roof fell upon the floor and gave a yell that made the situation rather an appleasant one for a person looking upon the chain, dashed it upon the floor and gave a yell that made the situation rather an appleasant one for a person looking upon the chain, dashed it upon the floor and gave a yell that made the situation rather an appleasant one for a person looking upon the chain, dashed it upon the floor and gave a yell that made the situation rather an appleasant one for a person looking upon the chain, dashed it upon the floor and gave a yell that made the situation rather an appleasant one for a person looking upon the crompton the first ballot, who is now in St. Louis, owns about 1,000 and fell in on the ceiling of the upper story, destroying the plastering and a portion of the timbers. The loss to West Indiana borough will foot up \$2,000 at the least. All the promination of the timbers are person looking upon the floor rather an appleasant one for a person looking upon the crompton the criminal for two at one week of it. The western gable of the break week of the internation of the upper story, destroying the plastering and longer and heavier chain than the one was dragging around. He is rather an appleasant one for a person looking upon the floor rather an appleasant one for a person looking upon the floor rather an appleasant one for a person looking upon the floor. However here the ceiling of the upper story destroying the plastering and longe for some time. The Convention has lost one of its ablest members and the State an eminent, upright states man. In this latter he has few imitators.

Mrs. Ellen McKenny, of Chicago, Tose to fifty-four, within twelve votes.

Mrs. Ellen McKenny, of Chicago, The Convention has lost one of tits ablest members and the corrupt and unscruption office, and, indeed, all the buildings office, and, indeed, all the buildings office, and, indeed, all the buildings office, and indeed, all they had scarched him for windows. The dwelling house of Robattered.

While our informant was conversing with Wade, the latter pulled from his office, and, indeed, all the buildings fronting the west suffered in broken were Paxon of Philadelphia, Butler of Chester, and Gordon of Brookville, who succeeded on the sixth hallot.—

Paxon, the Cameron ring candidate, rose to fifty-four, within twelve votes.

Mrs. Ellen McKenny, of Chicago, The candidates for Judge office, and, indeed, all the buildings office, and, indeed, all the buildings office, and, indeed, all the buildings fronting the west suffered in broken windows. The dwelling house of Robatter Land of the country for parts and other leaves the took with Wade, the latter pulled from his office, and, indeed, all the buildings fronting the west suffered in broken were Paxon of Philadelphia, Butler office, and, indeed, all the buildings fronting the west suffered in broken were Paxon of Philadelphia, Butler office, and indeed, all the buildings fronting the west suffered in broken were Paxon of Philadelphia, Butler office, and indeed, all the buildings fronting the west suffered in broken were Paxon of Philadelphia, Butler office, and indeed, all the buildings fronting the west suffered in broken were Paxon of Philadelphia, Butler office, and indeed, all the buildings fronting the west suffered in broken were Paxon of Philadelphia, Butler office, and indeed, all the buildings fronting the west suffered in broken were the country for pax and other leaves and the country for pax and other lea

urg for glass of suitable size.

Aug. 6, 1873-11, STEVENSON & CO.

THE MITCHELL WAGON,

FOR with the thousand million dollars of Farm, Freight and Plantation Use.

Universally known as the ORIGINAL RACINE WAGON.

Made by experienced workmen out of as good Made by experienced workmen cut of as good material as money can buy. We do not claim to build the lowest priced Wagons, but our aim is to build the lowest priced Wagons, but our aim is to build a weil proportioned wagon in all its parts, and excel in durability and light deaft. For the past quarter of a century the Mischell Wagon has reaccesfully maintained the reputation of being the best wagon in use. The rapidly increasing demand for them proves their superiority overall demand for them proves their superiority overall other wagons.

12 3-19 perches to dead white price; I have be larged to the post of the price of the post and price of the past quarter of a century the Mischell Wagon has reaccesfully maintained the reputation of being the best wagon in use. The rapidly increasing demand for them proves their superiority overall other wagons.
