Deming, as I do, that neutral rights have been invaded, I have learned that those who stand upon neutral grounds are made the targets of both conflicting partice, and I advise my follow Democrats who have stood aloof to caller the ranks, semed and equipped for notion under the good old flag of Democracy.

I will not permit my political focus, who seek every opportunity to everthrow the tree institutions which have prospered under the supplies of Democratic rule, to priligge the temple of liberty and divide the spoils among their chiefs.

I hope that every man who professes to be a Democrat will at once take a stand against the largain and rale business carried on under the directions of John the Palford, in behalf of the Republican party, and Capit, Jack of the Modoes. Have Democrats forgotten the past history of the party who now invite you, with open arms, into their ranks? Have they not repeatedly sold you in the same manner they purpose doing this time?
