ANNOUNCEMENT

OF THE GREAT

REDUCTION OF PRICES

BY S. PORTER SHAW, D. D. S.

IMPORTANT TRUTHS.

Having succeeded in getting a lighter tariff on material, hence the loss and seederure charge for partial and full sets of Texth. I use the best manufacture of texth and other material. All operations registered and warranted to give service and satisfaction.

Friends, reflect that my charges for the insertion of artificial and the saving of the natural texth are now the most reasonable in Pennsylvania. Preserve your texth and you preserve your health. Putting of the natural texth in a healthy, preservative and useful condition is used a specialty. Diseases and multiformations common to the mouth, jaw and associate parts, are treated and corrected with fair success. Examinations and consultations stars.

It would be well for patients from a distance to let use know by mail a few days before coming to the office.

It is very important that children between the ages of eix and twelve years about his tweether texth examined.

Anothetics are administered and Texth removed without pall.

Dispositions and character are judged by all the world by the expressions of the face, hence how very disastrous may it therefore he for persons to indulge an expression of distorted featurely even apart from a hygionic view. Now, to enjoy natural (not striffeial) comforts and pleasures, respect and obey ansures simplicities and instinct.

S. PORTER SHAW, D. D. S. Office in New Masonic Building, Second street, Clearfield, Pa.

Office over Irwin's Drug Store, All dental operations, either in the mechanical or operative branch, promptly attended to and satisfaction guaranteed. Special attention paid to the treatment of diseases of the natural tech, gams and mouth. Irregularity of the teeth successfully corrected. THE MITCHELL WAGON.

Farm, Freight and Plantation Use. Universally known as the

ORIGINAL RACINE WAGON.

Made by experienced workmen out of as good material as money can buy. We do not claim to build the lowest priced Wagons, but our aim is to build a well proportioned wagon in all its parts, and exed in durability and light draft. For the past quarter of a century the Mitchell Wagon has successfully maintained the reputation of being the lest wagon in one. The rapidly increasing demand for their proves their superiority over all other wagon. FLOUR & FEED DEPOT! The attention of the citizens of Clearfield and rie attention of the circum of character avicenity is directed to the fact that Goodfellow & Son are the agents of M. Nicce & Co., and have Just received a half dozen car loads of Flour and Feed, which they offer at the lowest possible figures.
