The teacher built fire in the 1908n and 1 First—On Wednesday, November labor under a mistake in relation to lath, the Stony Ridge School House, Union township, caught fire at the manufacturer and sole proprisof, and had it not been for the snow to the West Branch Bitters, of which I am the manufacturer and sole proprison, at the reof it mould have human to the reof it.

The Centernial —It is due to our readers who have taken such a lively interest in the Centennial work, that they should know what progress it has made, and what its future is likely to be According to the information we gather from Col. Forney's Press, the design for the main exposition building, being that presented by Messrs. Vaux & Hadford, of New York, has been selected by the building committee, which selection has been approved and ratified by the U. S. Commission, and that accordingly the necessary steps are now being adopted to proceed to the crection of the building.

The design so selected seems to command general favor, for the reason that it is purely American and not seems and subscribers.

Liangue, Caldwell & Co.

The creditors of this banking firm who reside in the vicinity of Tyrone and Oscoola, held a meeting at the former place on the 11th. D. T. Caldwell & Cal THE CENTENNIAL -It is due to our al Church—Rev. A. D. the necessary steps are now being adopted to proceed to the erection of ac

OUR COAL TRADE. - We learn by sward's Coal Trade Circular, of the Saward's Coal Trade Circular, of the missioners to choose a site for the 12th, that the shipments of Clearfield new Lunatic Asylum in the North-west have decided in favor of War-Pennsylvania Railroad for week ending Nov. 1, 1873, amounted to 16,334 and for the year 510,216 tons. The containing 329 acres costing 329

deiphia, \$8.55 per 2,000 lbs. the Republican is nearly enveloped in the new Constitution, this week. We hope all will take time to give it a thoughtful perusal. The new instrument is a decided improvement on the old fundamental law of our State, although it embraces some features we do not approve, but to some a large portion of that which is good, we must accept a little of that
