THE LABELERS.—We have waited for some time to allow the editors of the Radical organs, in this county, to recant, or apologize for some of the libels published against our nominees...

AN EXPLANATION.—In our issue of October 18th, in referring to the Democratic candidate for Assembly, among other things, we said: "We have it from good authority, that Dr. T. J. Boyer, the regular Democratic nominee for Assembly, in this county, some days ago, made an offer to a responsible Republican, of Brady township, a man of undoubted veracity, to sell out his interest in the Democratic nominee on his State ticket. The proposition was that if the Republican and his friends would vote for Boyer for Assembly, he (Boyer) and friends would vote for the Republican candidate for Superior Judge."

On Saturday last, Mrs. John Barker, who lives near Ball's Mills, was passing through her husband's barn, a horse reared through the manger and caught by the nose, and forgot to let go till he had chawed off the principal part of that useful member. The severe laceration made a gash about two inches long, and a deep cut, reaching to the bone, and at last severed the two parts, and the horse, in its agony, ran off with a pretty long string of hair.
