The working time of the employees of the Pennsylvania Railroad Company in the Altoona shops has been increased to nine house a day, and will be further increased on the house a day, and will be further increased on the house a day, and will be further increased on the lat of March to tan hours a day.

GRAND OPENING.—The "United American Mechanics" are going to celebrate their removal to their new hall in Pie's Opera House, by giving a ball on Friday crening. The occasion will be a rare one, and we hope the Aisociaton will be a rare one, and we hope the Aisociaton will be a rare one, and we hope the Aisociaton will have a good and predicate time.

DEMOCRATIC MEETING.—We have been requested to state that the Democrats of Lawrense township will meet in the Court House, or Saturday afternoon next, for the purpose of settling upon a ticket for township influency to be voted for on Thesday following. Let there be a general harmont.

his enterprise, and we hope to see him liberally rewarded for his undertaking. A score of such men would seen ture a wilderness into a city. A Suggestion .- In view of the fact that our general election will not hereafter be beld until November, should not some steps be taken by our party friends to change the time for bolding our primary election? The campaign vest, or really not before September. Why not have the county committee to change the time for bothing our primary election, and fix upon the Samplay before our Hoptember court? If the committee has not the power under our rules to make the change indicated, let petitions be prepared and sent into every borough and township and let our party friends sign them and return Friends, what my you? Let us hear from you, for or against a shange. Our judgement is that five months is too long a period between the
