

FORGET I LOVED THEE!

Then bidst thou crum it out, and live it down—
Stamp out its memory from my aching brain;
Forget I loved, remove the throb from my
That presses on my brow with maddening pain.

VINEGAR BITTERS

Dr. J. Walker's California

Vinegar Bitters are a purely Vegetable

Preparation, made of one of the greatest

medicinal properties of which

the Sierra Nevada mountains of California

are extracted through without the use

of Alcohol. The question is almost

daily asked, "What is the cause of the

unparalleled success of VINEGAR BITTERS?"

Our answer is, that they remove

the cause of disease, and the patient re-

ceives the benefit of their use. They are a

perfect blood purifier and a life-giving ingredi-

ent, a perfect Renovator and Invigorator

of the system. Never before in the

history of the world has a medicine been

compounded, possessing the great re-

freshening qualities of VINEGAR BITTERS in healing the

kind of every disease man is heir to. They

are a perfect remedy for all cases of Febrile,

relaxing, Congestion or Inflammation of

the Liver and Visceral Organs in Bilious

Diseases.

The properties of Dr. WALKER'S

VINEGAR BITTERS are Aperient, Diaphoretic,

Carminative, Nutritive, Laxative, Diuretic,

Sedative, Counter-Irritant, Sudoetic, Alterative,

and Anti-Bilious.

Grateful Thousands proclaim VINEGAR BITTERS

to be the most powerful and invigorating

remedy that ever sustained the sinking

system.

No Person can take these Bitters

according to directions, and remain long

in a debilitated or prostrated condition. They are

destroyed by mineral poisons or other

means, and vital organs wasted beyond

repair.

Bilious, Remittent and Inter-

mittent Fevers, which are so prevalent

in the valley of the great rivers

throughout the United States, especially

those of the Mississippi, Ohio, Missouri,

Illinois, Tennessee, Cumberland, Arkans-

as, Red, Colorado, Brazos, Rio Grande,

Pearl, Alabama, Mobile, Savannah, Ho-

ndon, James, and many others, with

their vast tributaries, throughout our

entire country during the Summer and

Autumn, and remarkably so during

seasons of unusual heat and dryness, are

invariably accompanied by extraordinary

irregularities of the stomach and liver,
