FARMING IMPLEMENTS

IN OLEN HOPE, TA. PAUPERISM. On the first day of June, 1860, there were receiving support in all the almshouses of the South, but 9,919 persons.

On the corresponding day in 1870 the number was 12,703, an increase of 1880 the South produced 230 million bushels at maize; in 1872 only 188 million bushels, a loss or waste of 188 million bushels, a loss or waste of 188 million bushels.

LUMBERMEN'S HARDWARE, 1.785.

THE REPUBLICAN.

| CLEARPIELD, PA | State | Part |

Virginina) which are those always alladed to hereimfler as the South or the Southern States, contained a population of 7,993,531 persons. In 1870, after the war and five years of "reconstruction," the population was 8,70-8, an is-rease of little more than 5 per cent. In 1670, persons of these States in population had been from 6,271,247 to 7,923,531, or 27,4 per cent. during the previous decade. During the same decade (1860-1870), the progress of the remainder of the Union was from 23,449,540 to 20,887,491 in habitants, or 27,4 per cent.

Both of these comparisons indicate that the South has suffered the greatest calamity that can befail as State not presumed to be governed despotically or hampered for land—the retardation of the propagation of the policy starvation, the ravages of disease, the blight of inflants, lavelsenses, crime, the stoppage of work, the advent of despair. It means what the word Poland once meant; it means what fred are means still.

Internal districts and those of the cities, even were they complete, which they are rote, that would not afford a fair critorion by which to continue the continuation of the propage of work, the advent of despairs in the accomplishment of the United States from time to time stoppage of work, the advent of despairs in the accomplishment of the United States from time to time stoppage of work, the advent of despairs in the accomplishment of the United States from time to time stoppage of work, the advent of despairs in the accomplishment of the United States from time to time stoppage of work, the advent of despairs in the property of the State in the hards of the transport of the United States from time to time of the United States from time to time state of the State in the continuation of the policy and the state of the state of the state of the policy and the property of the State in the continuation of the policy and the state of the In 1860 the South produced 26 million bushels of wheat; in 1872 only 193 million bushels, an absolute loss or goes. In conversation a few days ago be said that the late outbreak was due to the withdrawal of the United States

WHAT A BROOD.—The Pittsb Post remarks: It looks as if the V man Suffrage Movement is just now number was 12,703, an increase of paupers at the rate of nearly 22 per cent. The number of paupers at the rate of nearly 22 per cent. The number of paupers supported during the year ending Jame I, 1860, was 12,786; during the corresponding year, 1870, it was 11,600, an increase of 14 per cent.

LIST CRIME.

IN 1860 the South produced 35 million by shels of sweet potatoes; in 1870 only 16 million by shels of sweet potatoes; in 1870 only 16 million by shels, a loss or waste of million by shels of sweet potatoes; in 1870 only 16 million by shels of sweet potatoes; in 1870 only 16 million by shels of sweet potatoes; in 1870 only 16 million by shels of sweet potatoes; in 1870 only 16 million by shels of sweet potatoes; in 1870 only 16 million by shels of sweet potatoes; in 1870 only 16 million by shels of sweet potatoes; in 1870 only 16 million by shels of sweet potatoes; in 1870 only 16 million by shels of sweet potatoes; in 1870 only 16 million by shels of sweet potatoes; in 1870 only 16 million by shels of sweet potatoes; in 1870 only 16 million by shels of sweet potatoes; in 1870 only 16 million by shels of sweet potatoes; in 1870 only 16 million by shels of sweet potatoes; in 1870 only 16 million by shels of sweet potatoes; in 1870 only 16 million by shels of sweet potatoes; in 1870 only 16 million by shels of sweet potatoes; in 1870 only 16 million by shels of sweet potatoes; in 1870 only 18 million by shell on 1870 only 18 mil
