one side. It is not simply the duty of short of the same of the child to obey; neither is it the sole duty of the parent to exact obedience, regardless of the manner in which it does not exact obedience, and, at the same time, of the child to obey, the same time, of the same time, of the child to obey, the

me last night, if the story were not true? The other story can be summed up in a few words. A very enormously rich young son of a Yankee—I able upon themselves. It is true the child, as well as the parent, must be held accountable for his own sin; yet horror of wearing new clothes. This is the combination devised for obviating the disagreeable necessity. As he cannot well buy his clothing in a second-hand shop, he has them made by the most fashionable and most extraveled and the danger of involving one another in transgression. In case of the little agant tailor in the city, and then hires a workman of his exact size to wear them for him for two weeks. The witersays that hecanpersonally youch who is most to blame, the child or the words had shop, he has the cannot well buy his clothing in a second-hand shop, he has them made by the most fashionable and most extraveled the danger of involving one another in transgression. In case of the little shift of the public house to get his father's to the public house to get his father's bottle silled with intoxicating drink, who is most to blame, the child or the lift you would know the value of a little with intoxicating drink, who is most to blame, the child or the
