

GEORGE B. GOODLANDER, Editor.

WEDNESDAY MORNING, SEPT. 8, 1875.

Readers, if you want to know what is going on in the business world, just read our advertising columns, the Special column in particular.

TO OUR PATRONS.—It will be observed that we have associated with us in the publication of this journal, Mr. Noel B. Lee, a young man of high character, and of industrious habits, a workman of fourteen years' experience. Our old patrons and friends can rely upon him doing just what is right and proper in the mechanical department of this paper. It is the editorial columns are not properly managed to suit the tastes of our readers, please credit that to our account, as in the past.

THE NEXT ELECTION.—We commend the following to the attention of voters. The new Constitution forbids all persons from voting unless they have been assessed at least two months and paid their taxes at least one month before the date of the election. No one of foreign birth can vote unless, in addition to the above, he has been naturalized a month previous to the election. The date of holding the next election is Tuesday, October 23.

Thursday, September 23, is the last day on which voters can be assessed. Friday, October 1st, is the last day on which taxes can be paid. Friday, October 1st, is the last day for taking out naturalization papers. Each of these important duties can be performed at any time before the days mentioned. Let our friends see to it that the matter is attended to before it is too late.

ATTENTION.—A CITIZEN REMOVING FROM ONE ELECTION DISTRICT TO ANOTHER AFTER THE SECOND OF SEPTEMBER LOSES HIS VOTE. MIND THAT.

CLEARED OUT.—New Jersey has just cleared out its State office. He is State Treasurer, and is now in jail for appropriating \$50,000 of the State funds to his own use.

LOOK OUT FOR SCANDALS.—The election in Maine comes off on Monday, September 13th. If it thunders down that way like it has in California, the Long Branch Government may do itself some private injury.

GET NATURALIZED.—Those persons desiring to be naturalized in order to vote at the approaching general election, should not put it off longer than September Court. Bear in mind that those naturalized after the first day of October cannot vote in November.

Grant and brother-in-law Casey were running in New York for three days last week, in charge of Tom Murphy.

HOUSE, Navy Yard, and a large number of saloons, and then returned to Long Branch for rest.

STANAGE.—The Radical newspaper has not yet heard that there was an election in California last week. How stupid these "government" sports are becoming, any how. If they keep on a little while longer they will be some little "Know Nothings."

FOR SENATOR.—The Democrats of Clinton county have instructed for S. R. Peale, Esq., of Lock Haven, for Senator to fill the unexpired term of Senator Wallace. Come well, we'll see about the 18th. After which the Senatorial Conference will settle the dispute.

SENATORIAL CONFERENCE.—We have been requested to state that the Delegates of this Senatorial District, composed of the counties of Clearfield, Centre and Clinton, will meet at Bellefonte, on Thursday, the 23rd day of September, for the purpose of nominating a Senator to fill out the unexpired term of Senator Wallace.

A BREVIER CHARGE.—It looks now as though the great preacher intended to rival Barram in the show line. The pastor, during his stay at the White Mountains, constructed a big tent and has been performing to thousands for several weeks past. It would be a joke if those two great hounds were to unite their business and start up a great moral show. What houses they would draw!

THE COMPLAINERS.—The depressed industrial interests of the country just now enlist the talents of the editors of our Radical exchanges. Well, they depress these interests? What party has been ruling the country for the past fifteen years? Physicians, lawyers, themselves or quit growing, and hand the job over to somebody else, who can and knows how carry on business profitably to all sections.

THE TRICKER.—To-day our party friends are in council at Erie. Who will be nominated, we of course, cannot tell at this distance. But our ticket is Bigler for Governor, and for State Treasurer Gen. W. H. Davis, of Bucks county. If these two gentlemen suit a majority of the two hundred and fifty delegates now in session on the Lake Shore, we will be highly pleased. But if some other gentlemen are chosen for the positions we will not make any fuss about it.

A GOLDEN VICTORY.—The result of the California election has upset the third terms. Two of Grant's ablest body guards, Senator Sargent and George C. Gorham, Secretary of the United States Senate, were defeated. But the people have drowned the whole crew. The Democrats had one of the four members of the House, and they have elected three, and have run the fourth mightily close. They have also elected the Governor, and the whole State ticket, and a majority of both branches of the Legislature. If this kind of voting continues for another year the Radicals will be completely wiped out. What a pity!

THE COTTON FRAUDS.

A Washington correspondent of the Savannah, Georgia, News has gone through the Attorney General's office for the purpose of taking a look at the "cotton claims," and to see who stole the most after the war closed. Ben Butler's name is to be ahead and the next on the list is Gen. Harburt, who resides at Belvidere, Illinois, and lives in a \$60,000 mansion and owns a magnificent farm, all based on cotton. When Harburt entered the army he was so poor that he was compelled to borrow money to pay his personal expenses; yet he came out of the war with a hundred thousand dollars, on a Brigadier General's salary. Two-thirds of the cotton stolen was taken in 1865, and most of it belongs to "Union men," who are now compelled to employ the relatives of those who stole it to press their claims against the government. Ten years have passed since the cotton was carried off, and still the owners have not got their pay. In the aggregate these cotton claims amount to over five millions of dollars, and yet less than two hundred thousand dollars has been paid to the owners, while the Generals and their friends have revelled in wealth for ten years past using their best efforts to cheat the claimants out of their just dues, or saddle it upon the government. What a glorious harvest a war is for hummers—creatures who can only rise into notice by a hurrah, and come to the front by means of their evil deeds.

IMPEACHMENT LIKE.—The charges of corruption made and proven, by leading Radicals against Secretary Delano, and his son John, are of sufficient importance to work up an impeachment case when Congress meets in December next. We notice that D. J. McCann, an exceedingly smart gentleman who did business in Philadelphia and Glen Hope about 1860-61, is a member of the Indian Ring, and made \$44,000 for the government for transporting goods 132 miles when the distance was less than 90 miles. And the charge is that the Secretary of the Interior, Mr. Delano, knew the facts personally. More the railroad was compelled to carry these goods free of charge from Omaha to Cheyenne, and the contract was not given to the lowest bidder. Read, there is richens afoot. Just wait until a Democratic Congress meets in Washington in December to look over matters a little, which have been covered over with corruption for fifteen years. The political gods will hang much higher after that than ever before, and it will not look so lovely.

BOSS.—"The Government detectives" made another large haul in the counterfeit line, arresting a number of "shovers" and dealers at St. Louis last week. This detective body occurs every month, but the business still goes on and the counterfeiters invariably escape the Penitentiary. If all the counterfeiters who have been arrested within the past five years had been looked up, the detective business would have been "played out." But as it is, "the Government" sneak arrests, then is bribed, and the shover or manufacturer is allowed to go free by the authorities, in order to convict some other. Hence those sneaks are never open eyes in religious, business, political and social life, but damn the hypocrite or fawning sycophant.

OPENING NUMBER THREE.—The Radical campaign has been opened for the third time this season. First at Erie, under provisions of the United States Treasury, then at Bellefonte two weeks ago, and now lately in Philadelphia. The Times, of that city, noticed the advent of the Radical chairman in this way on the 3d.

"Colonel Hoyt arrived in the city yesterday to take the lead of the Republican column for the approaching conflict. California didn't particularly encourage him as he entered the field, but he carried off his laurels in three days, and getting his pilgrim line in battle array. Arkansas will probably throw another slight shadow over his banner on the 6th, and on the 13th Maine will come in with a new banner for breaking and getting his pilgrim line in battle array. Arkansas will probably throw another slight shadow over his banner on the 6th, and on the 13th Maine will come in with a new banner for breaking and getting his pilgrim line in battle array.

"No YOT DON'T.—If any body wants to learn the result of the late election in California from a Radical source, the reader may find it in those journals, in the fourth or fifth column, in very small type—the whole Democratic ticket probably elected, as well as three if not all of the four Congressmen. What a great woe this "tidal wave" is, any how. It looks now as though the great modern "Union savers" would be swept out of existence by the outraged people, even before the Centennial comes in. How happy the American people will be when they get rid of this potato bug party which has decoured everything from Maine to California.

SLIGHTLY SUPERB.—The Radical Chairman, Hoyt, has been partly ignored by the State Committee, which has appointed Russell Errett (the man with the four sets of double letters) as chief organizer. Hoyt made such miserable blunders in his campaign openings at Erie and Bellefonte, that the veterans demanded the restoration of Errett. Hoyt, it is also, the "tidal wave" will be left without ark or bark to float on.

A SUBSTANTIAL DONATION.—An exchange says, that Mr. Oliver Ames has built a stone church as a gift to the congregation in North Ames, Mass. The church has a memorial window to the late Oakes Ames. Well, to complete the job, the building should be mounted with a Credit Mobilier spire, and ex-President Colfax and ex-Congressman Scofield, and other "Christian statesmen" should be employed to lecture the rising generation every Sunday, and Boecher should be allowed to handle the adults in Brooklyn style.

THAT OPENING.—The Erie Gazette, the Radical organ of that county, insists that those distinguished United States Jurors were not summoned to attend the Hartranft meeting, but that "the Republicans of this city took advantage of the presence of those distinguished gentlemen on public business to get up a meeting and invite them to speak." What an outrage it was for those Erie laws to invite Hoyt, Scofield & Co. into a law court of that kind. Well, let them return the money to the conscience fund, and we'll say more about it.

YES, BURY HIM!

After the Brooklyn scandal trial was over, Beecher's woeing attorney, Shearman, sought for Europe for the purpose of spending his client over there. In his special pleading, he urged that he should inform his honor that he had a "ragged-edge" business connection with the "pastors" of his congregation in this country.—The Philadelphia Times in alluding to this notorious hypocrite and legal scoundrel, says:—"Mr. Shearman, the laudatory brother of Plymouth Church, who refused to take a fee for the services he rendered Mr. Beecher during the recent trial, has provoked a storm about his ears which will plunge him into a sea of trouble on his return from abroad by his speech in London. In that remarkable utterance the good brother declared that the attention Mr. Beecher admitted to him, was a common one between all clergymen and their female parishioners in America; that the plaintiff's counsel acknowledged that his case was a huge conspiracy to take advantage of the jury had not been a friend of Morgan; the verdict would be a unanimous acquittal. Mr. Shearman is now accused of wandering all these parties, some by media, some by direct, both friendly and unfriendly to the pastor as the defendant, claimant and mutual friend never were, and his character as a Christian and standing as a lawyer are both in a fair way of being destroyed. If they are neither the church nor society will be a heavy loss.
