THE REPUBLICAN. as the retainers he has about him.—
And how long, pray, are we to submit to these stupendous frauda? Are you to these stupendous frauda? Are you merchant mechanic or manufactures.

When Grant was inaugurated President of the property of the continue to wear merchant mechanic or manufactures.

the yeke? Are you stopened as we you have undergone and what you see before you? Is your skin too tough to feel the oppressive lash? Have you no desire to hold the remnant of your lands and your money, which has escaped the greedy eye of the tax collector and the exciseman? Are you ready to hand over peaceably that remnant, and hunt up an obscure resign dence in the poorhouse? My friends, do rise up in honest indignation and drive back these vampires that are fastened upon your vitals! Let them know that it is our money, and their hands shall not henceforth touch it. With such management and corruption aign in National and State Governments.

READINO, October 17.—The great meeting here last night was an event in the history of the Democracy of old. Berks: The interest in the campaign intensifies as election day approaches, and agreat crowd, in which the though full Republican and that balance of power, the independent vier, were conspicuous, assembled to hear State Chairman Wright and Hon. George M. Dallas discuss the issues of the contest. All classes of the community were represented; the banker, the merchants at the manufacturer, the workingman were there, all anxious and attentive. Speakers at political meetings here abouts have seldom been honored with such carnest attention, and the strong points of each address were londly put into sellong administrative of some seven hundred the state and Najoung administrative of some seven hundred the state and Najoung administrative of some seven hundred the state and Najoung administrative of some seven hundred the state and Najoung administrative of some seven hundred the state and Najoung administrative of some seven hundred the state and Najoung administrative of some seven hundred the state and Najoung administrative of some seven hundred the state and Najoung administrative of some seven hundred the state and Najoung administrative of some seven hundred the state and Najoung administrative of some seven hundred the state and Najoung administrative of some seven hundred the state and Najoung administrative of some seven hundred the state and Najoung administrative of some seven hundred the state and Najoung administrative of some seven hundred the state and Najoung administrative of some seven hundred the state and Najoung administrative of some seven hundred the state and Najoung administrative of some seven hundred the state of species resumptions the sound of the State and Najoung administrative of some seven hundred the state of species resumptions and the seven and some state of the country. For some twelve hundred the state of species resumptions and the seven and some state of the sound and st

work; and the evil consequences of correct and offish in glacious or makines, induceding and of offish in glacious and offish of makines, induced in a distribution of the control of the makines in the control of the
