VEDNESDAY MORNING, APRIL, 12, 1816.

CLEARFIELD, PA

"Tie plain to me," and a farmer's wife,
"These boys will make their mark in life.
They were never made to handle a he,
And at once to college ought to go.
They are never met to the state of the state of the life of the state of the life of the li "Well, really, wife," quoth farmer Brown, As he set his mug of cider down; "Fred, does more work in a day for my Than both his brothers do in three But larnis, will never plant ance's corn Nor her potatoes, sure's your born, Nor mend a red of broken funce; For my part give me common sense.

But his wife was bound the roost to rule And James and Hiram were sent to sele While Fred, of course, was left behind, For his mother said he had no mind. Fire years at school the students spoul, Then into business each one went. James learned to play the gainsr and fidili-And parted his hair, of course, in the mil-While his beuther looked rather higger tha And hong out a sign, "H. Brown, M. D."

Meanwhile at home their brother Frail Had taken a notion into his head; But be quietly trimmed his apple trees, And weeded unions and planted trees. While somehow, by hook or crock, He managed to read full many a book, Until at last his father said He was getting book larnin into his head. "But fir all that," added farmer Brown, "He's the smartest boy there is in town."

The war broke out, and Captain Fred A hundred men to buttle led. And when the rebel flag came down, Went marching home as ticneral Hown But he went to work on the farm again, And planted even and sewed his grain, Re-shingled the bern and mended the f The people declared he had "common s

Now ecomono sense was very care, And the State House needed a portion there So the "family dance" moved into town, And the people called him Governor Brown, And his breathers who went to the city achies Came house so live with "mether", foot.

been the old and substantial house of the Barings. Immediately upon President Grant's re-election this agency was taken from the Barings, and through a most scandiles, and the counter William managers are already well known to the counter William to the counter will be a counter with the counter will be countered to the countered to the counter will be countered to the cou dent Grant's re-election this agency was taken from the Barings, and through a most scandalous intrigue the true story of which has never yet been fully told, was given to two new American houses, which had just started or were about starting branches in London. Clews, Habicht & Co. be ame agents for the State Department, and Jay Cooke, McCulloch & Co. for the Navy Department, the head of the former house having connections sufficiently familiar. In course of time the mushroons withered. The failure of Jay Cooke & Co. was an nounced on September 18, 1873, and two days before this Secretary Robe son telegraphed from the Summer Capital to his department to "give requisitial to his department to "give requisition in fivor of Jay Cooke, McCulloch & Co. for \$1,000,000 for foreign account out of pay of navy." General Spinner

& Co. for \$1,000,000 for foreign account out of pay of navy." General Spinner making some objection, the bankruptcy of the parent house being then known, a Cabinet council was held and after a great deal of frantic telegraphing a milhon and a half was transferred "by the President's direction." This was done, Mr. Robeson says, "after consulta-

railrond bonds. The house went into liquidation notwithstanding, and just and bring anybody to their rescue; and of stalwart rufflans who have robbed and beaten helploss cripples. All these are inexpressibly vite; and with just such libels on humanity should be classed the wretches who would gather up the bones of miles, inter them among dead patriots in a soldier's cemetery, put gravestones over them while longer by the abit of the Treasury Department, but be too collapsed for the sake of the few dollars and set of street, but he is a present and for the sake of the few dollars and set of street, it will present a belief to the sake of the few dollars and set of street, it will present a belief to the sake of the few dollars and set of street, it will present a belief to the sake of the few dollars and set of street, it will be some super-shared by the sake of the few dollars and set of street, it will be some super-shared by the sake of the few dollars and set of street, it will be some super-shared by the sake of the few dollars and set of street, it will be some super-shared by the sake of the few dollars and set of street, it will be some super-shared by the sake of the few dollars and set of street, it will be sake, and be set of the sake of the few dollars and set of street, it will be sake, and be set of the sake of the few dollars and set of street, it will be saked, and be a street was a set of street o while longer by the abt of the Treasmarked by fabricated names—and all

effort in its behalf, the obvious answer is, why was the business of the government entrusted to people who needed anch support? The full history of the transactions with the Cooke syndicate is yet to be told; it has certainly never been told in any official paper, and when Mr. Glover's committee gets to the bottom of the 'real extate poul' it will have other and deeper mysteries to explore. That the United States Treasury, under Grant's administration, has been persistently employed as a political engine has been well understood, and the public has been lead to have diminished the sale of public land derived, and the public has been lead to have diminished the sale of public land derived, and the public has been lead to have diminished the sale of public land derived, and the public has been lead to have diminished the sale of public land derived, and the public has been lead to have diminished the sale of gubic land derived, and the public has been also employed in a round of reckless speculation. Bouwell withhis gold seless speculation. Bouwell withhis gold seless succorditations, of the strong, Richardson with his illegal issue of notes to succorditations, of the strong, Richardson with his unexplained syndicate operations, Clews with his political banking, and Shepherd with his "pools," what Poker Schence, paid 39,000 in gave the world has ever seen. It was not always corrupt, but it was always lawless capticloss, irresponsible and dangerous in the highest degree, and it could not be the mone as those singed "Bylph."
