This sometimes happens to both citizen and Government. It arises from the same cause, and is governed by correct principles. The rule which regulates the conduct of a discreet business man, is just as applicable to the Government as to the individual citizen, who frequently finds himself can barrassed because he lacks the means to escape his subarrassed because he lacks the means to escape his subarrassed because he lacks the means to escape his mobarrassement. We are led to make these remarks by reading over the which of the manner in which the subarrassed because he lacks the means to escape his mobarrassement. We are led to make these remarks by reading over the which are led to make these remarks by reading which the terms "a scrious embarrasse."

Well, that may be true is but why did.

The Judge does not despair of the turns in Florida gives Hayes 33 majority of the constitutional power of the constitutional power of the returns must be accepted as final. The face of the returns must be constitutional power of the countril Hayes. He finds the remarks the result was changed from a Demolive of the manner in which power of the subtraction of the Theater and the constitutional power of the manner in which power of the constitutional power of the manner in which power the whithdrawal of the fast mails which he terms "a scrious embarrasses the terms "a scrious embarrasses" the constitutional power of the country has not proven as detrimental times pay a procurate the constitutional power of the country has not proven as detrimental the same terms and to rep. a any that may be proved to be fraudient. This power exists.

Republican prints fail to see that the face of the returns must be true to the remaindence of the ret
