large corral. The men were well for-tified, however, in a "dog fort," and repelied every n nelt, but without in flicting loss upon their assailants, who finally wearied of the sport and with-drew. Later in the day the telegraph line was out in several places. Nu merous Indian trails have been dis covered in various localities since then but no hostile act has been reported. The resumption of Indian attacks at this early and unseasonable time of the year indicates much trouble for miners and freighters the coming spring and shall set in strong enough to intimi-date the savages. The latter will run date the savages. The latter no virks if they can help i... 10' 656 (2.12) ie Indian
