

The war cloud in the east is still becoming darker. We have reports that the two armies had an engagement before Kars, lasting for three days, Saturday, Sunday and Monday.

Under this caption, the Boston Post alludes to the conduct of George S. Boutwell, once Governor, Congressman and United States Senator from Massachusetts, and at one time Secretary of the State.

The Doylestown Democrat puts the removal of the troops from the South, in this way: "A good many reasons have been given for the President's withdrawal of the troops from the State of South Carolina and Louisiana, but the most important is the danger of a civil war in the North."

"There were twenty-nine deaths in Pittsburgh last week. A portion of California was shaken up by an earthquake a few days since. The Pennsylvania railroad company employs 1,610 engineers and 1,800 firemen."

"The dead duck" of the Philadelphia Press, goes on in this way: "And now Jeremiah S. Black is preparing a characteristic assault upon the Electoral Tribunal, created chiefly by Democrats, because it decided in favor of Rutherford B. Hayes as President."

Mr. Pierson is setting an example of ostentatious extravagance which is becoming the representative of a republic. He is lavishing his money so liberally on dinners and balls that Londoners don't know what to make of it.

Then on the other hand we have the report that away off in Europe the Montenegrins and Turks had a battle on the 9th resulting disastrously to the Turks.

Montenegro is a half independent Province of Turkey, lying on the Southeastern Shore of the Adriatic Sea near the Gulf of Cattaro, in latitude forty three and longitude ninety six, with a population of 120,000 and contains 1,500 square miles, about one third more territory than we have in Clearfield. One fifth of the population are soldiers.

London, June 17.—(Reuter's Constantinople dispatch reports that the court martial trial of the officers of the gunboat Sadi, which was destroyed by torpedo-boats in the Danube, has concluded its labors. It is believed that prisoners will be sentenced to be shot.

Russia, June 17.—Intelligence has been received from Constantinople that there was a sanguinary engagement, lasting throughout Saturday, between 10,000 Turks and 3,000 Montenegrins, at Rasnoglavi. The Turks were defeated and pursued to Spalax, leaving 900 dead on the field.

It is reported that Prince Gortschakoff, in his reply to Kinglad disavowing any wish on the part of Russia to take possession of Constantinople, declares that city ought to belong to none of the European powers.

Along the lower part of the Crimean coast, a violent storm burst on Thursday night, and it was feared by the Turks that the Russians would attempt a surprise during the intense darkness.

Nothing of the kind was attempted, however, and the Russians seem to have been completely successful in their attempt to take the advantage of the weather as the Turks were to have opposed the crossing, had it been attempted. The weather in the valley of the Danube is generally hot.

Gen. Wm. Tecumseh Sherman, Senator Cameron and dignitaries, spent a few days in the early part of last week at James Duffy's Marietta.

Mr. Benjamin Whitman, of the Erie Observer, announces in his paper that he is not a candidate for the Democratic nomination for Auditor General, nor for any other political position.

Jefferson Davis now lives near Mississippi City, on the border of Pontchartrain between New Orleans and Mobile. He is writing his memoirs, in excellent health and looks younger than he did a few years ago.

"My dear Pitkin," as Ben Butler would say, has been his right being through the eyes by "the government." Having held the fat office of Marshal of Louisiana, and helped to count Hayes in, he has, nevertheless, been removed—turned out to pasture. But he swears vengeance.

The Crawford Journal, the Republican organ of the county, opposes Judge Pettis for Judge, and he predicts his defeat if nominated because of his inaptitude for the position. Pettis now holds the office by appointment of Governor Hartranft, to fill the vacancy caused by the death of Judge Lovric.

The Selwyn Review says: "Wm. H. Gibbons, who has been doing the typing business for John M. Rine, at McKees, Half Falls, Snyder county, disappeared several days ago, leaving Mr. Rine missing \$2,500. On Tuesday morning Mrs. Gibbons followed her defaulting husband but no one knows whether."

A POTENT PETITION.—Fourteen thousand tax-payers of Washington county have signed a petition asking Mr. Hayes to remove the negro, Fred Douglas, from the office of Marshal of the District of Columbia. This is far ahead of the famous petition signed by three thousand clergymen, in 1857, praying Congress to prohibit slavery in Kansas.

"HE SHELLED A MICE"—An exchange says: "When Governor Tom Young returned to Columbus from his recent trip to Washington, he appeared considerably cast down. He stated to a friend in Columbus that his throat had been cut by the administration; that he would not attempt to secure the nomination for Governor, because he was satisfied that neither himself nor any other Republican could be elected."

ANOTHER TRICK.—The horrible Elinton assassinations, the horrible Elinton assassinations, the horrible Elinton assassinations, the horrible Elinton assassinations.

"This the village says a lawful tribunal rendered a lawful verdict. Mr. Tilden and Mr. Hayes, his decision was made the lawful decision of the nation, from which no appeal is allowed."

"This are three distinct propositions, and this way it is done in nature."

"It was not a lawful tribunal, because it was forced contrary to the Constitution."

"It did not render a lawful decision, because it rendered a decision contrary to the Constitution."

"There is an appeal from it. The Electoral Commission is the body that has the right of the parties to appeal to the courts should be affected by the proceedings."

RAILROADING.—There are different methods of railroad competition. The New York Central reduces the fare and the Hudson River employs young ladies as ticket agents, while the Pennsylvania Central goes to the length of running faster lines than any other road. From Chicago to New York the distance is 112 miles, which is made by the Pennsylvania Central in twenty-four hours; being about thirty-eight miles per hour. That beats our "limited mail" line all hollow.
