A SAUCY OFFICIAL.

It appears that Nasby has a Post-It appears that Nasby has a Postoffice case right under his nose, which he had better settle before similar cases arrise at the Confederate Cross-roads offices, in which he has taken a deep interest for many years. The Philadelphia Times alludes to the case in this way: "Civil service reform gets a good deal of assistance just now by and had been elected Shoriff as early and the general feeling at the Capital that as Ritner's time, but was refused his field of operations as soon as they it won't do to stir un the animals to commission. In 1852 I commission. In 1852 I commission. In 1852 I commission.
