Reader, if you want to know what is going on in the business world, just read our advertising columns, the Special column in particular.

DEMOCRATIC STATE TICKET.

FOR SUPREME JUDGE: Hon. JOHN TRUNKY, of VENANGO COUNTY.

DEMOCRATIC COUNTY TICKET.

FOR PROBATIONARY: ELLI BLOOM, of Clearfield. FOR REGISTER AND RECORDER: L. J. MORGAN, of Clearfield.

MAXIMS FOR THE DAY.

No man may be the office of President should be willing to hold it if it cost him the loss of his life.

The Radical leaders are becoming alarmed over the prospect of losing this high body in the near future.

The Washington correspondent of the Philadelphia Press explains how the United States Senate may be organized on a Democratic basis.

Should the Democratic claimants from Louisiana and South Carolina be admitted, and Senator Morton's illness terminate finally, the appointment of a successor to the latter by Gov. Williams would have the effect of electing one Senator from the Republican side and to add one to the Democrats.

The Turk used to be the "sick man" of Europe, but some how or other the fellow has been resurrected and he handles the "sick man" of Russia most infernal rough.

An AWTOL DECLINE—It is only two weeks until the Ohio election, yet not a "bloody shirt" has been stirred during the canvass, nor has there been a "rebel outrage" perpetrated in a single Southern state since the campaign opened, although every one of these states is governed by the "Confederate Brigadiers."

A HIGH PRIZE—John S. Morton, the President of the Market Street Passenger horse-railway, of Philadelphia, has produced a profound sensation in that city by his having over-issued the stock of that road to the amount of over one million of dollars.

THE EASTERN WAR—The alternate victories and defeats with which the Turkish and Russian armies have encountered on the plains of Bulgaria, leaves the result to flow back and forth like the tides of the ocean, while thousands of men are being killed on both sides every week.

"GOVERNMENT TRIALS"—It seems that the courts in Washington are pestered with the same kind of criminals that are found in South Carolina—State thieves of high and low degree, from U. S. Senators down to the petty office holder.

POLITICAL TRAGEDY—Bedford is the home of "little John" Cessa. He is the man who ran the inside of the Radical State Convention. He reported and read the resolutions and made the platform as it is.

DEATH OF A SENATOR—United States Senator Lewis V. Boggs died at St. Louis on the 21st inst. The Senator had been afflicted with malarial fever several months, and lately an abscess of the liver was discovered, which, hastened, perhaps directly caused, his death.

Mr. Hampton went away from this city without being able to secure any Government arms for his State militia.

Second—Male persons who came to the United States under eighteen years of age, have been in the country five years, and in the State one year in the first, and are twenty-one years old, upon producing a citizen who will swear to the same, are entitled to citizenship.

Third—Male persons who have declared their intention to become citizens in a Court of record, two years before making application for citizenship, when they have been in the United States five years (one of the five in the State), and are over twenty-one years old, and producing a citizen who will swear to the same, are entitled to citizenship.

NEARLY A RUMPUK—The Washington correspondent of the New York Tribune says that the gossip about the war department is that Gen. Howard's short and somewhat impudent dispatch to Gen. Sherman was occasioned by a dispatch from Gen. Sherman to Gen. Howard in which the former directed Gen. Howard to push the Indians to the wall and clean them out.

McCLURE ON THE SET-UP—The editor of the Philadelphia Times, says: "The action of the New Jersey State Convention was determined by one of those rare waves of feeling, which sometimes sweep over public assemblies, carrying before them all petty passions and small intrigues like chips and drift-wood."

A LIBERAL "WORLD"—The New York Herald thinks that "nothing could be more hostile to the true interests of the Democracy than any attempt to make the creation of the Electoral Commission the great Republican crime of the century."

A BAD STOMACH—Senator Wallace and his colleagues, our nominee for State Treasurer, seem to be annoying a writer in the Philadelphia Commonwealth. From this assumption, or presumption, one would suppose that he was the owner of the stomach.

A HOPE ASSUMPTION—The writers in the Philadelphia Commonwealth, by their tone, assume to be the owners of the stomach. Wallace, and also lay claim to the proprietorship of the Democratic party in Pennsylvania.

TOO BAD!—Reader, think of it. One hundred and sixty acres of the best land the sun ever shone upon, can be bought for fourteen dollars. Only fourteen dollars for one hundred and sixty acres of good land!

ANOTHER TICKET—The ticket manufacturers are still at work. The Greenbackers met at Williamsport on the 19th, and put up the following ticket:

For your information the following requirements are published: First—Male persons who have served in the army and been honorably discharged, are entitled to their citizenship papers upon proving one year's residence in the United States and to the same.

Second—Male persons who came to the United States under eighteen years of age, have been in the country five years, and in the State one year in the first, and are twenty-one years old, upon producing a citizen who will swear to the same, are entitled to citizenship.

Third—Male persons who have declared their intention to become citizens in a Court of record, two years before making application for citizenship, when they have been in the United States five years (one of the five in the State), and are over twenty-one years old, and producing a citizen who will swear to the same, are entitled to citizenship.

HOW IS THAT FOR CONSOLATION? However, if Mr. Reeder and his friends ever, if we shall file no objections. It is their "purr" that is being kicked, not ours.

STRANGE—That the states that give Hayes no electors get all the good fat offices, as a rule. This cannot be gainsaid: "New York which gave Hayes no electors has the Secretary of State."

AN EXILED PASTOR—The Rev. Thomas H. Bott, the Philadelphia pastor whose Beecherism has attracted wide attention, has stepped down and out in a recent meeting of his church. He is reported to have been driven out of his pulpit.

A TIDAL WAVE—The New York Herald, in alluding to the nomination of Gen. McClellan, says: "The action of the New Jersey State Convention was determined by one of those rare waves of feeling, which sometimes sweep over public assemblies, carrying before them all petty passions and small intrigues like chips and drift-wood."

NO, YOU DON'T—The Philadelphia Commonwealth sees fit to give us a lecture because we didn't swallow our platform without criticism. And also calls upon Col. Noyes to write and explain to that Junta.

TOO BAD!—Reader, think of it. One hundred and sixty acres of the best land the sun ever shone upon, can be bought for fourteen dollars. Only fourteen dollars for one hundred and sixty acres of good land!

Equipped—An exchange says: "Passover, the Radical candidate for Auditor General, an insurance agent."
