CLEARFIELD, PA.

WEDNESDAY MORNING, DEC. 28, 1877.

MAXING FOR THE DAY

No man worthy the office of President should be willing to hold it if counted in, or placed there by any fraud.

U. S. Ganav.
I could never have been reconciled to the ele-vation by the smallest aid of mine of a person, however respectable in private life, who must forever carry upon his brow the stamp of fraud first triumphant is American history. No sub-

AGREEABLE -- Our Senator "Don." tell? says the Philadelphia Times isn't making any fight on the President himself. but he knows a man from New York who is, and that's as good a thing as the young Pennsylvanian wants.

soling to Senator Patterson and other stand on the stand that there is no such thing as hell or gress. Senator Wallaco deserves the "a world of worm and flame."

Sargent, Radical. The Democratic tide not at all in the interest of individual keeps rolling on.

Conkling his own. These moral cow- supreme in New York." rection from which it is drifting.

official vote for Governor at the recent According to the New Orleans Demelection shows that Mr. Stone, Demo- scraf, "at the moment when Stanley crat, is elected over his Radical rival Matthews, Booth and Christiancy gave by a majority of 95,310. How is that in their independent and judicial votes

the Rio Grande River, succeeded in Jury to substantiate the title of that producing a sensation during the past eminent carpet-bagger to a cell in the week. Some people seemed to think Louisiana penitentiary."

Dennis, the man who carried thro in 1876, and at Washington in 1877, has brought the "milk of human the trans in Alachua county, Florida. that another war was right on hand, The Mansfield Advertiser, edited by because a number of American and that tuny man, Col. Bea. Goodenough, Mexican robbers were plundering each tells of a lady who sat at a sewing other. That is all there is in this tuss maching and who felt a queer sensaabout a war with Mexico. The gorden to as of a fly or miller crawling under her dress up her back. It proved to be a small mouse, which escaped from its self-imposed prison by passing over the lady's shoulders and composed to the mout, and if they do not disperse, ing over the lady's shoulders and composed to the mout, and if they do not disperse, ing over the lady's shoulders and composed to the mout, and if they do not disperse, ing over the lady's shoulders and composed to the mout, and if they do not disperse, ing over the lady's shoulders and composed to the mout, and if they do not disperse, ing over the lady's shoulders and composed to the mout, and if they do not disperse, in the taxpayers of South Carolina \$230, the taxpayers of South kill them off, and then we will have ing out at the throat.
