THE PHILADELPHIA RECORD, of the 9th inst., says: "Some months ago the Baldwin Locomotive Works were expectedly surprised by the receipt of a cable dispatch from the Russian Government requesting tenders for the construction of forty locomotives for freight service."

OF these witnesses only three were in attendance over two days altogether and thirteen do not live in the district. D. B. Green is an ex-Judge, and instead of serving fourteen days only attended one day in this case.

THE publication of the itemized bill in the Legislative Record has created a great stir here where it is commented upon very discreditably to the Sergeant-at-Arms and others supposed to be connected with the matter.

THE REPUBLICAN. CLEARFIELD, PA. WEDNESDAY MORNING, MARCH 27, 1878. GAINES' GAITS. The Radicals of the House of Representatives.

THE Radicals of the House of Representatives, led by John G. Gaines, are in a state of high excitement. He is the chap who let Ballard run, and then offered a reward of \$500 for his arrest. Gaines charged \$500 for going to Delaware county and getting Ballard out of jail, and then allowed him to escape.

THE fact that O. F. Gaines, Sergeant-at-Arms of the House at Harrisburg, has asked for an enormous appropriation to meet expenses and witness fees in the contest election cases of this county, has led to considerable inquiry on the part of interested parties.

OF these witnesses only three were in attendance over two days altogether and thirteen do not live in the district. D. B. Green is an ex-Judge, and instead of serving fourteen days only attended one day in this case.

THE SABBATH BILL. Mr. Jackson, of Mercer, in advocating its passage, seemed to think that he was presenting an unanswerable argument in its favor when he said it came with the sanction of the Sabbath Alliance.
