THE REPUBLICAN.

CLEARFIELD PA WEDNESDAY MORNING, JUNE 26, 1878. tary Chase on hearing of the matter his reason for offering to sell out for

TREASURY BOOK-KEEPING.

HOW A BALANCE WAS PORCED FOR THE FISCAL YEAR 1865. NEW DEVELOPMENTS IN THE CASE OF AN OLD FRAUD-MODIFICATION AND PASSAGE OF THE BILL TO RE-

PEAL THE SPECIE RESUMP-

TION ACT -- MEXICAN AWARD BILL, ETC.

In the course of the investigations of the committee on expenditures in of the same denominations of notes, of right; because the right must not the Treasury Department it has been stealing packages of whole notes of get votes in that way. We do found that in the Treasurer's journal that denomination, replacing them with hope that this pleasing image of for June 30, 1865, the account for the the packages of half notes already ab Levissee's virtue will not be destroy. quarter and the fiscal year is completed structed, and entered on the books as ed during the future course of the in by seven orders of the transfer of notes destroyed. By this replacement he quiry by the revelation that he got DRUGGIST and CHEMIST from the Washington offices to offices made the count of notes delivered by more for the vote he did give than at New York, Philadelphia, Cincinnati him agree with that of notes delivered was offered him for the one he refused At Shaw's old stand, Clearfield, Pa; has just opened a new stock of and Louisville, the total of these seven by him, and till he was caught in the to cast. spection. The transfer order, which that Cornwell realized over \$100,000 Hayes on forged papers. This objecsimply directed the moving of notes by his peculations, and paid his countion to his title is a technical one, as from one point to another in Treasury sol, Lieutenant Governor Ford, of Ohio, it is conceded that Levissee signed the offices, and did not represent money, a tee of \$10,000 after his pardon was original papers, and no doubt would were put into the reserve in place of secured.-Baltimore Gazette. these secretly issued nineteen millions of notes, and were carried on the books as cash till June 30, when they were entered on the journals, instead of being put down at their dates. Mean the New York Journal of Commerce, wholly on technical grounds, and not while the books falsely stated that of May 22, (a perfectly independent because he was in fact bonestly elected. these nineteen millions were on hand paper) will well repay perusal: THE TIN SHOP! in the reserve, when they were really in circulation. The transfer orders what course the investigation would papers presented to Congress, it could were falsely stamped as paid by the take or exactly for what purpose it not have recognized them and awarded Treasurer, June 30, 1865. The regu. was originated, and a true estimate of Hayes the Presidency on the bare RUNNING MY OWN MACHINE! lar books and records do not show the

loan deposit for \$19,000,000 was made of good citizens of all parties would selves, and could not have considered out to the credit of disbursing officers, feel that, however just the result in a certificate whose signatures were secretly going out. The amount on mission, but which it absolutely refused this testimony takes away the founda-

hand during the fiscal year was made to consider, the mass of the people will tion stone of their argument. They to appear by the books to increase in- most heartily accept it. stead of diminish. When the issue finally acknowledged the temporary loan deposit of \$19,000,000 was put lough stated in the Fall of 1865 that without the \$40,000,000 realized from

been ascertained whether this immense forced balance and secret issue covers a great defalcation, but that be has in his possession sworn evidence that nearly every important account of the Treasury has been falsified to an unverse of the the defeated side, the people, having the defeated side of the point of the people of t if the House will authorize his commit-tee to sit during the vacation, and of even this form was a great mistake, with the Senate. Just as the Demovote the needful expert aid, he will proveit. He says it is impossible, without out of it has not abated with the lapse out such investigation, to know how of time. many secret issues and forced balances bare been made. It will be remembered, and one that we trust will be testimony. Matthews brief politbored that it came out before Mr. Glover's committee in the last Congress that Huntington, Jay Cooke's cashier, repeatedly borrowed large sums from the reserve, and that considerable amounts were often absent from the result, and represented by slips of paper. The experts to the committee are appelled at the state of noonday light and the real criminal at the war of noonday light and the real criminal at the war of noonday light and the real criminal at the war of noonday light and the real criminal at the war at first afraid here. committee are appalled at the \$19, of noonday light, and the real criminals actly what they were at first afraid he be held up to the public gaze. If this an experienced accountant, says it is the most atrocious financial transaction the has ever heard of, and that there is the wrongs than any that can be estab matters under inquiry, but that he at all, and their ill designs can thus be building association of Media. While a deeply regrets, as he often stated during the session, that his committee was avowed objects and limitations, we do not empowered to get to work last November, instead of waiting till should not commend itself to every privilege as a member of the House march, for that then these matters could have been fully developed and welfare of his country than any mere assisted him as far as they could by could have been fully developed and laid before Congress and the country partisan triumph.

by this time. NEW DEVELOPMENT OF AN OLD PRAUD. In the course of the investigations by

latter place were found balves of about Tilden. We must all feel refreshed \$53,200 worth of notes. Inquiry that there is one man in the country showed that he had been in the habit, who has refused to sell his vote for when he got upper and lower balves \$100,000, even though it was for the

ed in accordance with the requirements

sent to the War Department for a de- \$200,000 is not very satisfactory, but tective. General L. C. Baker was de- is satisfactory to know that the elector

orders being \$19,000,000. These \$19, act everything seemed correct. How But the surprising fact appears that PURE AND FRESH DRUGS, 000,000 are balanced by an entry also much he had stolen does not seem to though Levissee refused the money at the close of the account for the be known. He admitted stealing \$5,000 that was offered him to abstain from the line of Brugs and Medicless at the very low quarter and the fiscal year of \$19,000. of greenbacks and \$18,000 demand voting, he, in reality, did not vote; or quarter and the fiscal year of \$19,000. of greenbacks and \$18,000 demand voting, he, in reality, did not vote; or all the has also on hand a large stock of Combs rather, he did not sign the papers, dependent bought \$25,000 of bonds and \$6,000 of claring the vote of himself and his colline at the colline of the colline o certificates of indebtedness, which were leagues, upon which the electoral comloan depositors. The deposit is put down in a lump, as by disbursing offi cers; no interest to be paid. A close reissued. The case is important be. cers; no interest to be paid. A close investigation of the records, which has quietly gone on for some time, reveals the fact that no such deposit was made; actually took also. The case is important because it shows that a fraudulent reissue of a considerable and unknown amount reached the Vice President and that the fact that no such deposit was made; actually took place. His case shows one came by mail. It was informal TIN & SHEET-IRON WARE that the entry of \$19,000,000 is false, what may have been done, and the and incomplete; and it was discovered and that the balance which it helps to making of a false certificate of destruct to be necessary that others should be make is forced. It turns out that the tion of \$30,000 fractional energing paper substituted. This was done, and a \$19,000,000 were taken from the rein one case, and of false certificates of formally correct paper reached the serve of unissued compound-interest destruction of over \$18,000,000 of bonds Vice President by mail and a copy of notes at various times before June 30, and transmitted to assistant treasurers and depositances who paid them out. This issue of \$19,000,000 was concealed, not being even placed on the books. It is stated by a gentleman who has which were withheld from public in: which were withheld from public in-

THE INVESTIGATION.

The following candid article from was accorded to him by the commi

If it had appeared to the commission "It was not safe at first to predict that the signatures were forged on the its character depended wholly on the ground on which they did award it to nature of the transaction, which had to answer to these questions. If the ob. him, namely, that on the face of the be carefully examined to get at the ject of the measure was to unsettle the papers it belonged to him and they had trutb.
