GEORGE B. GOODLANDER, Editor. CLEARFIELD, PA.

WEDNESDAY MORNING, SEPT. 25, 1878.

a survey of the political field in Pennment. Train was a candidate for re-may. ing the campaign.

The Maine election puts another al United States Senator very unthat is to become of Hannibal Hamn? For years his bete noir has been

HOT AND COLD .- The editor of the Bellefonte Watchman growls like a public printing, under each adminis bear with a sore head, because the tration for these three years: Democrats of Centre county prefer Governor Curtin for Congress to Mr. Meek. The puff he gives the gentlemen who accepted the Radical nomination for Congress four years ago, is just as much out of place as the dis-

nation on the 17th instant, will be

much fus over the Cronin electoral question in 1876, and had poor Morton go out to Oregon for the purpose of predict: The party that stole the Presidency in 1870, will not survive its four years period. The crime is too huge and carries with it the sting of extinction. This great national sin and died. This Oregon trip cost the Radical party its head, and now the get away with his two hundred thousand delikur salary the Radical party its head, and now the ground te powder. Like the round of the

EX-GOV. CURTIN.

The Democrats of Centre, at their county Convention, last week, nomina ted Gov. Curtin for Congress. A com introduce him to the members of the Convention, and when prescuted it noke as follows:

I have but five minutes - not as long as I generally talk. My fellow-citizens, I made up my mind when in foreign country, holding a commission of my government, that the policy ador ted by the national administration mus lead to the troubles and difficulties ader, if you want to know what is going as a which have occurred in the past of the business world, just read our advertising country. I came boxes in 1872, and - announced my sentiments as early a I could get into the State. In the

No man worthy the office of President should be willing to hold it if counted in, or placed there by any frand.

I could never have been recomiled to the clear and the worth of the manner respectable in private life, who must foreser carry upon his brow the stamp of frand first triamphant in American history. No subsequent sotton, however meriterions, can wash away the letters of that record.

Under the forms of law, Rutherford B. Hayes have been declared President of the United State. His title reats upon disfranchirement of tawns. We declared President of the United State. His title reats upon disfranchirement of tawns over a chief country, the false certificates of the returning officers and the franchirement of tawns and the freshed of the returning officers and the first time are the American people confronted with the fact of a frandiciently selected President. Let it not be understood that the fraud will be silently acquiremed in by the country. Let an hour pass in which the unurpation is forgotten.

Annuals of President and the declared resident to the condition of things there and here, and that we would have such reformed with the fact of a fraudiciently selected President. Let it not be understood that the fraud will be silently acquiremed in by the country. Let an hour pass in which the unurpation is forgotten.

Annuals of President and the camp of the country and to the glory and power of the nation. Twice I have

crs being defrauded of their home-steads, and the change in the owner.

ship of the soil.

An exchange says:

Attorney General Train, of Massachussetts, is probably convinced by this

The question naturally arises, who Mr. J. H. Lambert, of the Philadel- ton case, refusing to surrender that social and moral outlaws? We answer this Times editorial staff, has been outlawed thief to the South Carolina the Radical party. And we defy sucned by that journal to take authorities, was a pretty bad invest. cossful contradiction, squirm as you ugh review of the situation, and Convention on Wednesday, and was

in the province of the balmy Rock. sectedly overboard, and the inquiry the exclamation of one of our German ways a balance of from one and a half the fear of losing the franking privi-lege, and it is now a fixed fact his right in this direction will be forever cut off after the 4th of March.

The State government under the remaining of the State ring, and is worth occatic Governor Packer, the last of the Dem members of the State ring, and is worth occatic Governor Packer, in 1858-59-60, in \$120,000 annually to them. We no-contrast with Governor Hartrant's, from 1st July, 1875, to 1st July, 1878.
