GENERAL SAMPLE

A WARNING TO MR. HAYES.

School machine is run with a great deal of sham under the cloak of tove for education, and that as much corruption can be uncarthed there as perhaps in any other department of the State government.—Centre Reporter.

Me the Legislature adjourned, after remaining in seasion the full one bundred and fifty days allowed by the Constitution, passing the necessary appropriation bulls and the bill providing for the count of the vote for State Treasurer, it was hoped the provision of the we Constitution for holding biennial sessions hereafter would get a fair trial, and that the General Assembly would not again meet until 1881. But this was only a promise

sembly would not again meet until 1881. But this was only a promise made to the car to be broken to the hope, and now the Governor himself is cited as authority for the statement
