GEORGE B. GOODLANDER, Editor.

CLEARFIELD, PA. WEDNESDAY MORNING, SEPT. 10, 1879.

DEMOCRATIC STATE TICKET.

REMEMBER!-Democrats, remember next Saturday, September 13th, is the day fixed by our party rules to vote for delegates to represent the interests of our party in the approaching County Convention, and also to cast your ballot for Sheriff, District Attorney, and Jury Commissioner. It is hoped that every voter will cast his ballot for the man whore he considers the most competent to fill the place his firied is solliciting at the hands of his sections; Date of the sections in the state have received sections in the sections of the sections in the sections in the sections; Date of the sections in the sections; Date of the sections of the sections in the sections of the sections in the sections of the sections of the sections of the sections of the sections in the sections of the sections of the sections in the section of the sections of the sections in the state have received sections of the sections of the sections in th

Judge not catch himself on the fly! Judge Pearson, please don't convict Mr. But is giving his attention to John Sher her! Oh. don't!!

The First Gun.—The city of Wilmington, Delaware, always holds the first Fall election. Until last year, ever since the negroes were enfranchised, the city has been strongly Radical. Last year the Democrats carried the percentage that a regular real estate of the results are nont nominate candidates ary of the day on which he fell. Jas non, on the night of the latinst, while, does not his together with his hired man, endeavor ing to frighten off treepassers who were steading his grappes. Later investigations seem to prove that the Proton many private besiness, is "chief companied to render be sort to the State Convention, and one persince the negroes were enfranchised, the city has been strongly Radical. Last year ever the Democrats carried the percentage that a regular real estate interests.

Not Reconciled.—It seems that the stimst, while to delect a tree and some of his together with his hired man, endeavor ing to frighten off treepassers who were stealing his grappes. Later investigations seem to prove that the Proton many private business, is "chief companied to render be sort to the State Convention, and one persince the negroes were enfranchised, to over \$3,500 per year. To save him the clipt of the latinst, while to delect a tree and some of his together with his hired man, endeavor ing to frighten off treepassers who were stealing his grappes. Later investigations seem to prove that the Proton date of the several offices above named, and to select three Senatorial Conferces to per was a true here and some of his together with his hired man, endeavor in the select time. The suppose of selecting a Senatorial delegate to the state of depression. She receives and she to select the sems that the suppose of selecting a Senatorial delegate to the man's private business, is "chief companied to select the sems that

the Treasury, and which were paid John W. Howe, for, and one maintained for at Clearfield, Pa., Ang. 20, 1879. next Saturday, September 13th, is the the people's cost. So that it costs

triend is soliciting at the hands of his party friends.

How it Works.—The little Radical State of Rhode I sland requires a property qualification. No man can vote for any office who does not own at least \$134 worth of real estate. Those Davis was one of the members of Congress from that State in 1853 to 1855.—mind you a Congressman! In 1873, he lost all his real estate, and he has the centre of the wine growing region in the party friends.

In the new building and grounds on the fittle Radical State of Rhode I sland requires a property qualification. No man can vote for any office who does not own at least \$134 worth of real estate. Those Davis was one of the members of Congress from that State in 1853 to 1855.—mind you a Congressman! In 1873, he lost all his real estate, and he has the centre of the wine growing region.

The Builden is a teger Harbor City, N. J., will be held in the new building and grounds on the following attack and rejoined. Now, isn't that awful! as a sweet the General Assembly of Pennsylvania, six teenist would remark, while adjusting her "bang" in the party, agreet, each six teenist would remark, while adjusting her "bang" in the party, agreet, each of the six teenist would remark, while adjusting her "bang" in the party, agree of the same of the six teenist would remark, while adjusting her "bang" in the party, agreet, each of the six teenist would remark, while adjusting her "bang" in the party, agree of the same of the same of the same of the party, agree of the same of the party, after telling her one that the beneerate party. Particle address, assembly of Pennsylvania, is, is a specimen of strict construction which is somewhat remarkable.

We sate substitute and remark the same of the same of the party, agree of the tender of the party of the party, agree of the tender of the party of the party of the party. The Builden is not provided in him by a he lost all his real estate, and he has the centre of the wine growing region gress. There are thousands of similar try is dotted with vineyards, and the violence of her mobs and murder will assure its friends beyond any cases. Reader, are such laws right? every farmer has his wine vaults. The ers. This crimination and recrimina doubt of its success as a journalistic Camden and Atlantic Railroad will run frequent trains to and from the Fair, and will sell excursion tickets, including tion, we do believe has lost the taste of novelty for men of sense in all parcharge to the Grand Jury was a vigorous one. The jury obeyed him and ing tickets of admission to the Fair, at found true bills against all the bribe a very low rate, thereby enabling gret in every other part. We are just found true bills against all the bribe.

HISTORICAL FACTS.

The editor of the Butler Herald takes the wind out of a refined (?) organ in this homespan and truthful manner:

The fact of John Sherman, Hayes' Secretary of the Treasury, having as cociated with Eliza Pinkston and Mrs. Senks, for the purpose of stealing the Presidency, no one need be surprised tanything he can perpetrate on the state of the second of the second

the Monument.

Camden and Atlantic Railroad will run tion, we do believe, has lost the taste enterprise. The Intelligencer is an in-

the fault of the Republican party is Overnoand.—The result of the Rad-knavery." We do not know of one remarks: one third ignorance and two-thirds ical State Convention in New York, better qualified to speak on this sub-

A BAD REFORMER.

Jenks, for the purpose of stealing the Presidency, no one need be surprised at anything he can perpetrate on the people in the shape of frand. He cheats his workmen out of their wages and then pays his clorks out of the United States Treasury. The Washington Post developes the would be President in this way:

About two years ago builders began the election will be held by the Vignance Committee, who are the Election and the erection of a row of houses on each side of F street northeast, between First and Second. The ground belonged to John Sherman, and it was a state of the saveral offices to be England, and it was during the war of 1812. It was then declared by the checkets his workmen out of their wages and then pays his clorks out of the United States Government under took to do what was against the cestion. We England people, that whonever the United States Government under took to do what was against the cest of public officials with partian an agement to ught to be the forward to the management, the better is interests of the States, or any one of them, the aggrieved party had its birth in New Calland, and its war of 1812. It was then declared by the ence of public officials with partian to them. Rev. Mr. Sample took to do what was against the cest of public officials with partian the united with them in the Lord's prayer, and continue praying for them for the United States Government under took to do what was against the cest of public officials with partian the united States Government under took to do what was against the cest of public officials with partian the tection of a first and general pople, that whenever the United States Government under took to do what was against the cest.

I agree with you that the interfermence of public officials with partian to them. Rev. Mr. Sample to when the meter ought to be the follows the warrant to them. Rev. Mr. Sample to when the cestion of the United States Government under took to do what was against the cest.

I agree with you that the interfermence of publ
