three of the Government from THIR. Ty to FORTY millions of dollars annually for the past three years. And several remarkable incidents occurred, one of which being that of an infant two years old which was found in a severe cuts. Since Carpenter was attactive to have notice that our Radical exchanges form it "harassing the working of the Government." Why tree top, two miles from its forme, to homest about it and say that Congress has saved the tax-payor just that much, and cancelled that much of Lincoln's "National blessing"—the that much, and cancelled that much county seat of Webster county, and, character for President. These promise for Lincoln's "National blessing"—the Federal debt. "Harassing," indeed!

A section of Lincoln's blessing indeed!

A section of Lincoln's "National blessing"—the county seat of Webster county neighbors speak out insurance. Two hundred men were insurance. Two hundred men w

were; but when, instead of helping themselves, they demand that some body else shall do their work, they are sure to receive more jeers than tollowers.

The law has reasserted his majesty may have the work already demand that some was largely Democratic, and this action produced disturbance on the part of critizens who sought to have the will be seeinded by its mandate from ployes of the Corliss Steam Engine Co.

The law has reasserted his majesty in the face of his threats, and though the form the face of his threats, and the work will be seeinded by its mandate from ployes of the Corliss Steam Engine Co.

The law has reasserted his majesty in the face of his threats, and the will be seeinded by its mandate from the public gaze, and will be compelled, for the first time in years, to carn his bread by the sweat of his brow. MEDDLESOME PEOPLE.—There are election sure; so that the nomination eiples they would be discharged from When he leaves the walls of the House of Gen. Hancock would be equivalent the works. This company employed of Correction, we venture to say, the some individuals who dedicate a great of other flancors would be equivalent of their time in looking after the interests of their neighbors and neglection.

It is of especial importance too that the manufacturing districts, among the leet their own. Occasionally, this treak to an election.

It is of especial importance too that the manufacturing districts, among the cotton lords, shoe bosses, and in all other shows that while the largest liberty is
