for discusses of the throat and tungs that effective has produced. It strikes at the foundation of all pulmonary diseases, affording prompt and certain relief, and it subspect to patients of any age or either set. Being very patathie, the youngest children take it without difficulty. In the treatment of ordinary Coughs, Colds, Sere Throat, Bronchitis, Indisensa, Clergyman's Sore Throat, Asthma, Croup, and Catarrh, the sifects of Avan's Gurgany Pezroata. Are magical, and multitudes are animally preserved from serious filless by its timely and faithful use. It should be kept at hand in every heysehold, for the protection it affords in sudden attacks. In Whooping-cough and Consumption there is no other remedy so efficacious, scotning, and helpful.

The marvellous cures which Aym's Chemuy Provona, has effected all over the world are a sufficient guaranty that it will continue to produce the best results. An impartial trial will convince the most sceptical of its wonderful curative powers, as well as of its superiority over all other preparations for pulmonary complaints. country, knowing its composition, recon-neous Aven's Chenex Perconat to invalids, and prescribe it in their practice. The test of laif a century has proved its absolute certainty to cure all polimeners complaints not already beyond the reach of human aid.
