THE LICENSE QUESTION. AN ELABORATE REVIEW OF THE CASE BY JUDGE HILL, OF INDIANA. At the last sitting of the Court at Indiana, in this State, the following paper was presented:

THE SUN DO MOVE. The Rev. John Jasper, Richmond's well known colored preacher, repeated his celebrated lecture in Richmond on a recent Sunday evening before a large audience.

WHAT'S A PRINTER? A printer, according to a punning exchange, is the most curious being living. He may have a "blank" and "quoin" and not be worth a cent.

THE CENSUS BY ALTITUDES. THE POPULATION OF THE REGIONS AT THE DIFFERENT HEIGHTS. The Census office has issued a bulletin showing the distribution of the population of the United States above sea level.

EDUCATIONAL. All the local Normal Schools have opened for the Summer and are well attended by students. The Troutville public school, in point of attendance, is the "banter" school. Thirteen pupils having attended every day of the last month.

FROM BRADY TOWNSHIP. Troutville, Pa., April 11, 1881. Friday, April 8th, was the closing day of our school. The exercises of the afternoon consisted of recitations in the different branches, interspersed with declamations, songs, etc.

IT'S WHAT YOU SPEND. "It's what you'll spend, my son," said a good old Quaker "jest what he'll make, which will decide whether he's to be rich or not."
