EDUCATIONAL. Prof. A. R. Reed is serving as temporary Principal of the Osceola public schools. BY M. L. McQUOWN.

Chestnut Ridge in Pike township is in need of a good male teacher—salary \$30 per month.

Morris and Penn townships recently adopted the new Lippincott Readers for use in their schools.

The vacant schools in Boggs township have been filled by the employment of Ernest Albert to teach the English, Eye school and Olive M. Way the Bethlehem.

Not long since two boys of the Osceola High School undertook to amuse themselves during school hours with a pistol, which was used to shoot the ball passing through the fleshy part of the leg of the junior lad, producing an agonizing wound and a startling sensation in the school.

Notes from our Visitation Book. The Clearfield schools were inspected by the County Superintendent, October 18th, and the pupils were in a flourishing condition.

A full set of Mitchell's New Outline Maps have been placed in the Osceola High School by the Directors. One hundred and thirty-seven pupils are enrolled in all the schools, ranging in age from 7 to 18 years.

The copy-books were found in excellent condition. The pupils having the best in the High School are Rose Kittleberger, Gertie Bilger and Lizzie Dale. In the Intermediate School, Karl Fleming and Minnie Boyer.

The school organized according to the course of study provided in the "Teacher's Hand Book." 23. Your methods of instruction in accordance with the limits and suggestions accompanying this course of study.

The primary classes well drilled in general lessons as recommended in the "Teacher's Hand Book." 24. The school should be well ventilated by the "open method" ventilation.
