We passed the threshold of its only entrance, and ranged from cellar to garret, cautiously, and with a kind of awe.—

We peeped from one of the windows almost convinced that we should see a band of savages in the vicinity. The whoop of the savages thirsting for band of savages in the vicinity. The glare of civilization that burst upon our view only made more deep the antiquity which surrounded us. We stood and ermitted fancy and facts to blend them-

HEALTH DEPENDS ON PURE BLOOD. Brandreth's Pills purify the Blood: NO DISEASE CAN RESIST THEIR JUDICIOUS USE !

Mild operation with successful effect are the pecu-liarity of Brandreth's Pills. OUR race are subject to a redundancy of vitiated bile, at this senson, and it is as dangerous as it is prev alent, but Brandreth's Pills afford an invaluable and efficient protection. By their occasional use we preven the collection of those impurities, which, when in suffi clent quantities, cause so much danger to the body's health. They soon cure liver complaint, dyspepsia.los of appetite, pain in the head, heart burn, pain in the of appetite, pain in the head, heart burn, pain in the breast bone, suddon faintness and costiveness. In brief, Brandreth's Pills work their way to the very roots of the disease, cleansing in their passage, removing every unhealthy accumulation till the blood is purified, the whole system renovated, and the functions and duty of life become a pleasure, where before they had been sad and weary burdens. Often when nothing has relieved wonlting of the most serious character, whether from sea sickness or otherwise, where the rotching has been John H. MILLER, Secretary. ea sickness or otherwise, where the retching has been appalling, a single dose of four Brandreth's Pills has at once cured and the patient has fallen into a sweet sleep. When the mind cannot collect itself; when the memory fails; when it is an effort to fix the attention; when our sleep is broken and our waking hours harassed with prebodings of evil, then Brandreth's Pills should be used. If these warnings remain unheeded, rheumatism, consumption, disease of the heart, bilious affections, jaunsumption, disease of the heart, tilious affections, jaundice, dropsies, piles, appoplexies and costiveness will suddonly present themselves. These Brandreth's Pills would interest, of JOHN WEIDMAN, Esq., of, in, and dice, dropsies, piles, appoplexies and costiveness will sudhave prevented, but nevertheless these they will also cure. Use them at once; do not let prejudice prevent the use

of this simple but potent remedy.

Brandreth's Theory of Disease. Never extract blood. Blood is the life. By abstract ing it in painful diseases you may occasion the patient ease, but remember, this case is only the reduction or essening the power to feel. And by thus taking away nature's tools, you may prevent her from fully repairing the ravages of inflammation, & convert what might only have been the sickness of a few days or weeks into chronic affection of months and years. Brandreth's Pills accord with Nature!

Nature's remedy in fact. When sudden, acute or continued pain occurs from any cause, then to insure a quick return to health, you must use Brandreth's Fills, which will soon relieve every organ from undue pressure, and remove those humors whose presence often such terrible suffering.
