Secret Diseases are the greatest enemises to health, as they are the first cause of Consumption, Serofula and many other diseases, and should be a terror to the hu-mus family. As a permanent cure is scarcely over of incompetent persons, who not only fail to cure the dis-ease out truit the constitution, filling the system, with deth speedily and the victim marries, the disease is en-tailed upon the children, who are born with fieldlo con-stitutions, and the current of life corrupted by a vir columns of the public prints to cateli and rob the unwary sufferers, that millions have their constitutions ruined by the vile compounds of quack doctors, or the equally poisonous nostrums vended as "Patent Medicines." I have carefully analyzed many of the so-called Patent Medicines, and find that nearly all of them contain Corresive Sublimate, which, is one of the strongest preparations of mercury and a deadly poison, which, instead of curing the disease, disables the system for life.
 Three-fourths of the patent nostrums now in use are put up by unprincipled and ignorant persons who do not understand even the alphabet of the Margara Margara and are equally as destinate of any knowledge of the human system, having one object only in view, and that to make money regardless of consequences.
