A BEGGAR SONG.

I am a merry beggar,
My heart is bold and light;
I live upon the highway,
And sleep in barns at night.

I eat behind the hedges
My scraps of bread and meat,
And drink, when very thirsty,
The water at my feet.

But, money in my pocket,
And none to tell the tale,
I his me to the alehouse,
And drink my fill of ale!

I frown upon the tapsters,
I laugh, and shout, and sing;
For, give a beggar money,
He's mighty as a king!

☞ From the tenth to the twelfth of the last month there was no revolution in Mexico! One old Mexican gentleman hung himself in consequence on the eleventh. ☞ "Common taters," said Mrs. Partington to herself, as she waked out of a little nap into which she had been thrown on Sunday by a soporific preacher, "what has common taters to do with the gospel?"

The preacher had alluded to some commentators, the odd sound of which tickled her ear and awakened her.

"Common taters," she continued; "well, all sorts of taters are bad enough, and many of them are rot ten clear through; and if he is calling his hearers such names, heaven knows where he will stop. Common taters, indeed! I'll send him up a peck of uncommon ones to-morrow, and show him that all of them ain't alike."

She left the house with a very indefinite idea of what he meant, but determined to set him right on the potato question.

☞ A man with a large family was complaining of the difficulty of supporting all of them.—"But," said a friend, "you have sons big enough to earn something for you." The difficulty is they are *too big*," was answered.

☞ "Father, are there any boys in Congress?" "No, my son—why do you ask that question?"—"Because the papers said the other day that the members *kicked* Mr. Brown's *Bill* out of the house."

☞ The late Mr. John Jones being asked by a friend "how he kept himself from being involved in quarrels?" replied, "By letting the angry person have all the quarrel to himself."

SUFFERERS with diseases of the Bladder, Kidneys, Gravel, Dropsy, Weakness, &c., read the advertisement in another column, headed 'Helmbold's Genuine Preparation."

Of all diseases, the great, first cause

SUFFER NOT!

CURE IS GUARANTEED

SECRET DISEASES,

Self-abuse, Nervous Debility, Strictures, Gleets, Gravel, Diabetes, Diseases of the Kidneys and Bladder, Mercurial Rheumatism, Scrofula, Pains in the Bones and Ankles, diseases of the Lungs, Throat, Nose and Eyes, Ulcers upon the Body or Limbs, Cancers, Dropsy, Epileptic Fits, St. Vitus' Dance, and all Diseases arising from a derangement of the Sexual Organs, such as Nervous Trembling, Loss of Memory, Loss of Power, General Weakness, Dimness of Vision with peculiar spots appearing before the eyes, Loss of Sight, Wakefulness, Dyspepsia, Liver Disease, Eruptions upon the Face, Pain in the Back and Head, Female Irregularities and all improper discharges from both sexes. It matters not from what cause the disease originated, however long standing or obstinate the case, RECOVERY IS CERTAIN, and in a shorter time than a permanent cure can be effected by any other treatment, even after the disease has baffled the skill of eminent physicians and resisted all their means of cure. The medicines are pleasant without odor, causing no sickness and free from mercury or balsam. During twenty years of practice, I have rescued from the Jaws of Death many thousands, who, in the last stages of the above-mentioned diseases, had been given up to die by their physicians, which warrants me in promising to the afflicted, who may place themselves under my care, a perfect and most speedy cure. Secret Diseases are the greatest enemies to health, as they are the first cause of Consumption, Scrofula and many other diseases, and should be a terror to the human family. As a permanent cure is scarcely ever effected, a majority of the cases falling into the hands of incompetent persons, who not only fail to cure the diseases but ruin the constitution, filling the system with mercury, which, with the disease, hastens the sufferer into a rapid Consumption.

But should the disease and the treatment not cause death speedily and the victim marries, the disease is entailed upon the children, who are born with feeble constitutions, and the current of life corrupted by a virus which betrays itself in Scrofula, Tetter, Ulcers, Eruptions and other affections of the Skin, Eyes, Throat and Lungs, entailing upon them a brief existence of suffering and consigning them to an early grave.

SELF ABUSE is another formidable enemy to health, for nothing else in the dread catalogue of human diseases causes so destructive a drain upon the system, drawing its thousands of victims through a few years of suffering down to an untimely grave. It destroys the Nervous System, rapidly wastes away the energies of life, causes mental derangement, prevents the proper development of the system, disqualifies for marriage, society, business, and all earthly happiness, and leaves the sufferer wrecked in body or mind, predisposed to Consumption and a train of evils more to be dreaded than death itself. With the fullest confidence I assure the unfortunate victims of Self Abuse that a permanent and speedy cure can be effected, and with the abandonment of ruinous practices my patients can be restored to robust, vigorous health.

The afflicted are cautioned against the use of Patent Medicines, for there are so many ingenious snares in the columns of the public prints to catch and rob the unwary sufferers, that millions have their constitutions ruined by the vile compounds of quack doctors, or the equally poisonous nostrums vended as "Patent Medicines." I have carefully analyzed many of the so-called Patent Medicines, and find that nearly all of them contain Corrosive Sublimate, which is one of the strongest preparations of mercury and a deadly poison, which, instead of curing the disease, disables the system for life.

Three-fourths of the patent nostrums now in use are put up by unprincipled and ignorant persons who do not understand even the alphabet of the MATERIA MEDICA, and are equally as destitute of any knowledge of the human system, having one object only in view, and that to make money regardless of consequences.

Irregularities and all diseases of males and females treated on principles established by twenty years of practice, and sanctioned by thousands of the most remarkable cures. Medicines with full directions sent to any part of the United States or Canadas, by patients communicating their symptoms by letter. Business correspondence strictly confidential. Address

Wakefulness, Dimness of Vision, Languor, Universal Lassitude of the Muscular System, often Enormous

Flushness of the Body, Dryness of the skin,
Pallid Countenance and Eruptions on
the Face, Pain in the Back, Heaviness of the Eyelids, Frequently Black spots

with Temporary suffusion and Loss of sight; Want of Attention, Great Mobility, Restlessness, with Horror of Society. Nothing is more desirable to such Patients than solitude, and Nothing they more
Dread for Fear of Themselves no Repose of manner, no earnestness, no
Speculation, but a hurried
transition from one
question to another.

These symptoms if allowed to go on—which this medicine invariably removes—soon follows Loss of Power, Fatuity, and EPILEPTIC FITS—in one of which the patient may expire. Who can say that these excesses are not frequently followed by those direful diseases—INSANITY AND CONSUMPTION? The records of the Insane Asylums, and the melancholy deaths by Consumption, bear ample witness to the truth of these assertions. In Lunatic Asylums the most melancholy exhibition appears. The Countenance is actually sodden and quite destitute—neither Mirth or Grief ever visits it; should a sound of the voice occur, it is rarely articulate.

"With woeful measures wan despair
Low sullen sounds his grief beguiled."

Debility is most terrible! and has brought thousands upon thousand to untimely graves, thus blasting the ambition of many noble youths. It can be cured by the use of this INFALLIBLE REMEDY!

If you are suffering with any of the above distressing ailments, the FLUID EXTRACT BUCHU will cure you. Try it and be convinced of its efficacy.

Beware of Quack Nostrums and Quack Doctors, who falsely boast of abilities and references. Citizens know and avoid them, and save long suffering, Money, and Exposure, by sending or calling for a bottle of this Popular and specific Remedy.

It allays all pain and inflammation, is perfectly pleasant in its taste and odor, but immediate in its action.

JAMES F. MAXWELL,

MANUFACTURER OF

Improved Fire and Water Proof

COMPOSITION ROOFING,

HARRISBURG, PA.,

RESPECTFULLY inform the citizens of Harrisburg, Reading, Lancaster, Lebanon, and their vicinities, that we are prepared to put on roofs on most liberal terms, and at the shortest notice.

We respectfully call the attention of persons about to build, to our invaluable method of roofing, now much used throughout the principal cities of the United States and their vicinities. This mode of roofing having all the combined requisites of cheapness, Durability, and Security against Fire and Water, and dispensing with high gable walls; the roofs require an inclination of not more than three-quarters (¾) of an inch to the foot, and in many cases saving the entire cost of rafters—the ceiling joist being used.

The gutters are made of the same material, without any extra charges; consequently, our roofs are put up at almost half the cost of either Tin, Slate, or Shingles. The material being of an imperishable nature, it surpasses all others in Durability;—besides, in case of any casualty, it is the most easily repaired of any other roof now in use. Yet, the best proof we can offer as to its being both fire and water proof, are our many references, to any one of whom we are at liberty to refer.

N. B.—But let it be distinctly understood, (since we manufacture our own composition, and do the work in person,) that we warrant all our work proof against both Fire and Water; if they prove contrary, we will most willingly abide the results.

The materials being mostly non-conductors of heat, no roof is so cool in summer, or so warm in winter. Those wishing to use our roof should give the rafters a pitch of about one inch to the foot. [may 27, 1854.—4m.
