GROULAR TO THE SICK.- The first hospital sur-geons and medicinal publiciate of Europe admit the unrantled anti-inflammatory and healing properties of this Ointmont; governments sanction its use in their

naval and military services; and she masses in this roun-try and throughout the world repose the utmost conf-dence in its curative properties. It prenetrates theseur-ces of inflammation and corruption which underlie the external eridences of discase, and neutralize the fiery el-ements which fied and exasperate the malady.

Rhevmatism, Scrofula, Erysipelas.

These are among the most terrible and agonizing dis-eases of the muscles, the fleshy fibre and the skin; yet in their worst forms, and when sceningly incurable they invariably disappear under a presevering application of this southing, healing antidote to pain and inflammation. Salt Rheum, Fev. r Sores, Stiff Joints. In all cases of Salt Rheum, where medical waters, lo-tions, and every recipe of the pharmacopica have proved useless, the Olintment will accomplish a thorough cure. Fever Sores heal quickly utiler its influence, and its re-laxing effect upon contractical stows is kryly wonderful. *Discharging Ulcers*. A most remarkable and happy change is produced in the appearance of malignant ulcers after a few applica-ions of this Olintment. The surrounding reduces van-ishes, and granules of healthy fiesh begin to take the place of the discharged matter. This process goes on more or less rapidly until the orifice is filled up with sound material, and the ulcer radically cured. A Word to Molhers.
