To all whom it may Concern .- The undersigned begs leave to inform his old customers, and the public in general, that he still continues to manufacture CABINET WARE of all descriptions at his old stand, in Walnut street, between Ramler's and Reinhard's Hotels, in the borough of Lebanon. The public will please remember that his work is made up of better materials, and is of better finish, than can be found in any other astablishment in the borough of Lebanon.

C. BROTHERLINE, Notices to Quit,

For sale at this office. Price 4cts, per sheet. Mr. Wm. H. Joach, of Millereek, has been appointed Mercantile Appraiser for Lebanon County.

Our Carriers will be round on Friday with their New Years' Address, when they hope to reap a harvest of the stuff that makes the mare go-money. The effusion they will present "knocks

persimmons." FATR. The Perseverance Engine and Hose Company have decided holding a Fair, on Whit-Monday. Quite a number of Ladies have already taken the matter into hands, and all are respectfully invited to participate.

The proceedings of the Teachers' Association of Cornwall, were presented last week too late for insertion; and this week the types met with a sort of accident which made it impossible to reset them without delaying the Advertiser .-We trust to better luck next time.

The Concert of the Perseverance Sax Horn Band on Thursday evening of last week was pretty well attended. As usual, their performances wore improvements of all preceding ones-a proficiency which can only be attained by a love of music, and the individual exertions of the members, guided by a master of the profession.

In another place we give a view of Lauer's celebrated Brewery, Reading, Pa. The view was taken in 1846, since which time the Browery and out-buildings have been enlarged to more than double the size and extent represented in the engraving. The new patent steam system introduced is the only perfect one in the world.

Prof. SPAYD, the Razor Strop Paste Man, made several speeches, on various subjects, from the steps of the Court House last week. We inferred that the Prof. was dissatisfied both with the message of the President and the speech of Senator Douglas, and that his attempts to use them up, were at the instance of the opposition.

We issue but half a sheet this week .-Were it nor for the notices, locals, &c., we should not have issued any. We trust our readers will overlook the deficiency. We are in the harness all the time, but this is the first advantage of the kind we have taken since the commencement of the publication of the Advertiser. A happy New Year to all of ye.

A Disappointment.-Col. Forney's Lecture on the "Uses of Adversity," did not take place on Monday evening according to announcement, owing to the Lecturer missing the cars at Philadelphia in the morning. It is now arranged to take place on Moxply evening next, the 4th of January, without fuil. The dispatch from Mr. F., of his mishap, was received here more in sorrow than Mr. E., of Mr. E. M. Grocers, and dealers generally.

Emanuel Ripodar. Agent, North-west corner of Market and Water streets, Lebanon. [Nov. 25, '57-1m] his mishap, was received here more in sorrow than n anger, especially by those who had come in from the country and the neighboring villages .--

The Col.'s popularity will suffer if he disappoints us again.

To Eddhers and Mothers.—You know how important it is for your children that you should keep good health.—How frequently do you see feelbe parents dressed in mourning on account of the death of their beloved children. What a pity it is, when, by proper care and remedies, all these trials and troubles can be avoided. When health can be restored to the parent and life and happiness to the child. Restore the health of the mother and you obviate the necessity of Paregoric, Godfrey's Cordial and other injurious narcotics for crying children. 28 The two negroes Anderson and Richards, arrested in Lancaster for the brutal murder of Mrs. Ream and Mrs. Garber will be tried at the inext term of Oyer and Terminer of Lancaster co., commencing on the third Monday of January.

We perceive likenesses of the accused in some of the show-windows of our business-men. Anderson is a burly mulatto, with all the characteristics of a gallows-bird impressed upon his features. Richards seems to be of purer African blood, and a vagabond, simply, whose connexion with the heineous crime was doubtless in a measure forced upon him by his associate. With reference to their relative guilt, the Lancaster Express says, it is understood that Richards has confessed all about the matter, or insists upon doing so, but denies that he took any part in the murder; he asserts that he went to the house with Anderson, but did not know the 'conditions,' while the evidence is strong against him, amply sufficient to convict him, we have no doubt that Anderson, from his well-known antecedents, was the chief engineer of the infernal plot. His very , countenance is piratical and indicative of the heart of an outlaw.

REMARKABLE ENDURANCE IN A PIG.—We learn from the Reading Adler, that in removed a strawstack upon the farm of Nathaniel Kalbach, in Penn township, on the 12th inst., an old sow, and three pigs, that had been missed for eleven weeks were found under the straw. The old sow was still living, and had nearly eaten up two of the pigs-the third one appeared to have been not long dead. The old one weighed 200 pounds at the time she was missed; when found, she was nothing but hide and bones, and did not weigh more than about 50 pounds. She was unable to eat at first, but after some lard had been forced down her throat, she appeared to gain strength, and began to take a little food. Since then, she has been daily regaining her lost substance. During the eleven weeks' confinement, she had kent herself alive by eating the two pigs and by way of variety, straw. She had eaten a hole in the trial change since the receipt of the late foreign straw large enough to turn around in. The sow belonged to Mr. Nathaniel Kalbach, and the pigs and the sales of Flour were confined to a few hunto Mr. Nicholas Hang.

Ho! for the Centre Building. NEW STORE & NEW GOODS THE PLACE TO BUY CHEAP! RABER & BRO.'S

AVE REMOVED their STORE to the New Building a few doors East of the old stand, corner of Gumber and and Market streets, where they have opened a spler FALL & WINTER GOODS, f every description; of LADIES DRESS GOODS—New Tyles for the season—too numerous to name. & Call and see them. Now is the time to buy cheap! Lebanon, Oct. 21, 1857.

Great Crowds-Low Prices. O'VE morning, last week, as a friend and myself, were Deisurely walking out Market street, and on arriving near the corner of Guilford street, our attention was attracted to a large crowd of Ladius—and nearly all of whom were provided with large market baskets, and others with satchels hanging to their arms, and were evidently intent upon the same object. Upon inquiry we found that in the Mansion House, on the corner of Guilford and Market streets, is located the extensive Dry Goods, Grocery, and Queensware Store of our polite and affable friends, FUNCK & BRO., who have just opened a large stock of Fall Goods, and that the great crowd of Ladies were their regular customers, who may be seen daily at their counters, purchasing their goods. All we saw were evidently satisfied with their purchases; were loud in the praises of the excellent quality of their stock, and all were of the unanimous opinion that FUNCK & BRO. sell the best qualities, at lower prices, than any of their competitors. So our advice would be to you, one and all, both great and small, to give Force & Bro. a call, and they will surely try to please you.
