THE MOST OF TRIBLE HEALT.

THE most powerful Heater and greatest Fuol-saver in the world. For warming with pure air-Private or Public Rooms, Halls, Studies, Churches, Factories, Stores, C.. Sanford's Si Jou Challenge Patont Portable Heater is unequalled. It is claimed that it will bring into action at least 30 per cent. more heat than any other of the same size, using at the same time 30 per cent. less fucl. 'The objection unsually ascribed to all other heaters of furnishing an impure, dry sir, so injurious to health and farniture, is avoided in this, supplying as it does a pure malleable air.

malleable air.

'This heater has been in use for five years, and all who have them testify in the most flattering terms to their superiority over all others, both as fuel-savers and heaters.

AFFLICTED READ!!!

Pilliabelphia Medical House—issablished twenty two years ago by Dr. Kinkelin, corner of Turd and Union streets, Philadelphia, Pa. TWENTY-WO YEARS?

Experience has rendered Dr. K. a mest successful practitioner in the cure of all diseases of a private nature, manhood's dobility, as an impediment to marriage; nervous and sexual hiffirmities, diseases of the skin, and those arising from abuse of mercury.

TAKE PARTICULAR NOTICE.

There is an evil habit sometimes indulged in by bors, in solitude, often growing up with them to manhood; and which, if not reformed in due time, not only begets certous obstacles to matrimonial happiness, but gives rise to a series of protracted, insidious, and devastaling affections.

Few of those who give way to this pernicious practice.

rise to a series of protracted, insidious, and devastating affections.

Few of those who give way to this pernicious practice are aware of the consequences, until they find the nervous system shattered. Feel strange, and unaccountable sensations, and vague fears in the mind. [See pages, 27, 28, 29, of Dr. K.'s book on "Self-Preservation."]

The unfortunate thus affected becomes feeble, is unsible to labor with accustomed vigor, or to apply his mind to study; his stop is tardy and weak; he is dull, irresolute, and engages even in his sports with less energy than usual.

If he emancipate himself before the practice has done its worst, and enter matrimony, his marriage is unfruitful, and his sense tells him that this is caused by his early follies. These are considerations which should awaken the attention of all who are similarly situated.

REMEMBER,

He who places himself under Dr. RINKELIN'S treatment, may religiously confide in his honor as a gentle man, and rely upon the assurance, that the secrets of Dr. R.'s patients will never be disclosed.

Young man—let us false modesty deter you from making your case known to one, who, from education and respectability, can certainly befriend you.

3-Dr. RINKELIN'S residence has been for the last TWENTY YEARS at the N. W. Corner of THIND AND UNION streets, Philadelphia, Pa.

BULLS

RECTO MISTURA. FOR PILES, TETTER, RINGWORM A ND for any Eruption or Exceptation of the Skin. A whether on the fraul, face, arms or other parts of the body. Old ulcers or sores, and pinples on the face, may be speedily cured by the use of the Recto Mistura. To those especially that are suffering from the Piles, we offer a sure remedy.

offer a sure remedy.

From Rev. Mr. Enterline, Pastor German Church, Cor. From Rev. Mr. Enterline, Pastor German Church, Cor. Conway and Sharp streets:
For the benefit of the afflicted, I feel it a duty to state what a blessing a medicine, known by the name of "Bull's Recto Mistura." has been fo me. T have been afflicted with the Piles for eight years, during which time I tried my own remedies, as a practitioner, and many others, but without success. Having heard of Mr. Bull's Pile Remedy, I tried it; and though I used but one half-bot-lie, I can say that I am perfectly cured. I also used it in a violent case of Tetter, which extended over the whole body, and intless, than two.weeks. it disappeared; and the skin became clean and smooth. I strictly adhered to the directions.

SAMUEL ENTERLINE.

JAMES F. MAXWELL, Improved Fire and Water Pro COMPOSITION ROOFING

HARRISBURG, PA., HARRISBURG, PA.,

PESPECTFULLY inform the citizons of Harrisburg, Reading, Lancaster, Lebanon, and
their vicinities, that we are prepared to put en
roofs on most liberal terms, and at the shortest

notice.

We respectfully call the attention of persons a boat to build, to our invaluable method of roofing. now much used throughout the principal cities of the United States and their vicinities. This mode the United States and their vicinities. This mode of roofing having all the combined requisites of cheapness, Durability, and Security against Fire and Water, and dispensing with high gablewalls; the roofs require an inclination of not mere than three-quarters (3) of an inch to the foot, and in many cases saving the entire cost of rafters—the ceiling joist being used.

ceiling joist being used.

The gutters are made of the same material, without any extra charges; consequently, our roofs are put up at almost half, the cost of either Tin, Slate, or Shingles. The material being of Initiate, or Shingles. The material being of an imperishable nature, it surpasses all others in Durability;—besides, in case of any casualty, it is the most easily repaired of any other roof now in uso. Yet, the best proof we can ofter as to it being both fire and water proof, are our many references; to any one of whom we are at liberty to role.

to rofer.

N. B.—But let it be distinctly understood, (since we manufacture our own composition, and do the work in person,) that we warrant all our work proof against both Five and Water: if they prove contrary, we will most willingly abile the

The uniterials being mostly non-conductors of best, no roof is so cool in summer, or so weren in winter. Those wishing to use our roof should give the rafters a pitch of about one inch to the foot.
