THE Union Prayer Meetings in Temperance Hall, Lebanon, are now held from 61 to 71 P. M., instead of at noon. They continue well attended.

COUNTERFEIT halves and quarters have recently made their appearance in many of the interior towns of Pennsylvania. They are well made, and their introduction here should be Is the assistance of England necessary in 1860? guarded against.

There will be a sermon preached in the M. E. Church on Thursday evening, June 24, 1858, (St. John's night,) by Rev. Ashton, at the request of Mt. Lebanon Lodge No. 226, A. Y. M. The public are invited to attend.

THADDEUS STEVENS, the prince of abolitionists in this section of the country, will be the opposition candidate for Congress from Lancaster county, this fall. This will be a hitter pill for the Americans, but they must swallow it; the leaders having sugared it over with "Union."

THE RIGHT SPIRIT.—We are pleased to learn that the Bachelors of Lebanon are about organizing a Sewing Society. The first meeting will be held on the 4th of July. Babyclothes are excluded from the list of articles to be produced-a projudice existing in the minds of members against them.

Dr. W. A. Barry, of Jonestown, met with an accident a week ago, which came very near entirely blinding him. He was bending a wire, when it broke, and struck him in the eye. It was at first thought that the sight was destroyed, but we learn since that it is not injured. The Dr. having lost an eye already, made the accident a very serious one.

Prof. J. H. Steiner's Balloon Ascension, at Harrisburg, on Monday of last week, was a very successful and beautiful affair. He was up an hour and a quarter, howeving over the town, and finally descended safely about 3 miles. It presents an inviting appearance, and the obligsouth-east from Harrisburg. LEBANONIANS IN THE WEST.—We recently opened the Bellevue Gazette, a paper printed in Nebraska Territory. We quickly dis. covered that it was a Democratic sheet, and contained the proceedings of a Democratic County Convention, of which Jacob Smith, Esq., was Chairman, and Wm. R. Smith, Esq., Secretary. Band, which we are pleased to learn has name Both gentlemen are from Lebanon county, and we are glad to find them holding-on to the good old faith. Industry, enterprize and talent, accompanied by Democracy, must make its mark any and our Womelsdorf friends may rest assured

The Committee of Arrangements of the Lebanon County Agricultural Society, will meet at the public house of John M. Mark, on Saturday next, the 26th inst., at 1 o'clock, P. In those times which are called "Hard" in the pecuniary way, it will not do to boast much nor is it worth while to complain, yet we hope the sweet and promising remembrance that "he that those indebted to us will not forget at this "convenient season," to square their accounts .-We need money urgently, and as our accounts are small, but many of them, they are easily squared. We have payments to meet, which must be met with money, and to toe the mark, we must have money first. Will our friends oblige us?

If they have no regard for themselves, or respect for the community of which they are expected to become honest and valuable citizens, let them at least spare their poor parents, whose hearts they are idleness among our youther Compel them to grant and the presence of a large number of the york, or compel them to school.

WE learn that Messrs. Napier imating a paradise as could well be imagined. Mebanon Advertiser. WE learn that Messrs. Napier and Sartiges, (the former Embassador from Eng. land and the latter from France,) paid our town and county a visit last week. They were accompanied by Gen. Cameron, William H. Seward, of N. York, and Humphrey Marshall, of Kentucky. The estensible object of their visit was to observe the country and people of a section in which so much British gold is invested. As such they were welcome, and were no doubt entertained in manner deserving their station and condition. So much for that.

441 - 446 - 22

When, however, their visit is made the occasion for some political reflections-for linking it with "Protection to Home Industry by Congress," "Industrial Independence," and the times that tried men's souls, the time when the "Independence of 1776 was sought and won," every one must see how inappropriate the connexion, especially, so far as regards the first named distinguished personage.

Would they not sother trample under foot our Industry and our Independence, than admire them? It's poison applied to their lips under the guise of friendship. That then cannot have been the object of their visit. What then really was the object, if it was not political. An old man, whose hairs are silvered, and who is familiar with the times when England still openly Hodges' Safe Guard, or Coin hoped to win back the valuable American possessions she had lost, remarked to us, "I do not like the fact of those representatives of the Queen reconnoitering us; their object cannot be a good one; eternal vigilance is the price of liberty, and we cannot be too jealous of our liberties." We explained, that if any such foolish idea lingered in the minds of the nobility and rayal family of England, they would be sure to cast them to the winds forever, upon receiving the "Report of Lord Napier upon the subject of winning back the lost dismond in the British Crown, compiled from actual observation."

The question has also been asked; why are these lords chaperoned through the land by Ropublicans-two aspirants for the Presidency. Must her representative be molified?

The scene bathed as it was with the mellow tints of a serene evening sky, was one of rare leveliness, and came home to our mind as a grateful oasis, long to be remembered. We were almost at a loss for words to tender our acknowledgments in reply to a very neat address by one of the la. dies. It was what might very appropriately be called an interesting occasion, and we shall ever cherish the feeling of fraternal regard which that delightful communion enkindled, though the 'surprise trick" was played on us beautifully.— Living in the lovely valley wherein their borough is located, they seem to partake of its beauty, and like the fair flowers they gave us-are they lovely, of course-and their smiles upon the happy occasion were such, said a friend by our side, as he dreams the angels alone can bestow !

offer a sure remedy.

From Rev. Mr. Enterline, Pastor German Church, Cor. Conway and Sharp streets:

For the benefit of the afflicted, I feel it a duty to state what a blessing a medicine, known by the name of "Bull's Recto Mistura," has been to me. I have been afflicted with the Piles for eight years, during which time I tried my own remedies, as a practitioner, and many others, but without success. Having heard of Mr. Bull's Pile Remedy, I tried it; and though I used but one half-bottle, I can say that I am perfectly cured. I also used it in a violent case of Tetter, which extended over the whole body, and in less than two weeks it disappeared, and the skin became clean and smooth. I strictly adhered to the directions.

Ann Arbon, November 5, 1856.

Prof. O. J. Wood—Dear Sir: I have heard much said of the wonderful effects of your Hair Restorative, but having been so often cheated by quackery and quack nostrums, hair dyes, &c., I was disposed to place your Restorative in the same category with the thousand, and one loudly trumpeted quack remedies, until I met you in Lawrence county some months since, when you gave me such assurance as induced the trial of your Restorative in my family—first by my gody wife; whose hair had be come very thin and entirely white, and before exhausting one of your large bothes, her hair was restored nearly to its original beautiful and glossy upon, and entirely over the head; she continues to use it, not simply because of its healthful influence upon the head and mind. Others of my family and friends are using your Restorative, with the happiest effects; therefore my skepticism and doubts in reference to its character and value are entirely reremoved; and I can and do most condaily and confidentially recommend—its use by all who would have their hair restored from white or gray (by reason of sickness or age) to original color and beauty, and by all young persons who would have their hair restored from white or gray (by reason of sickness or age) to original color and beauty, and by all young persons who would have their hair beau Head of Rich Glossy Hair!

FRIEND Wood: It was a long time after I saw you at Blissfield before I got the bettle of Restorative for which you gave me an order upon your agent in Detroit, and when I got it we concluded to try it on Airs. Mann's hair, as the surest test of its power. It has done all that you assured me it would do; and others of my family and friends, having witnessed its effects, are now using and recommending its use to others as entitled to the highest consideration you claim for it.

Again, very respectfully and truly, yours,

SOLOMAN MANN.

Ose morning, last week, as a friend and myself, were disincely walking out Market street, and on arriving near the corner of Guilford street, our attention was attracted to a large crowd of Ladies—and nearly all of whom were provided with large market baskets, and others with satchels hanging to their armst and were evidently intent. upon the same, object. Upon inquiry, we found that in the Manslon House, on the corner of Guilford and Market streets, is located the extensive Dry Goods, Orocery, and Queensware Store of our politic and affable friends, PUNCK & BRO., who have just opened a large stock of Fall Goods, and that the great crowd of Ladies were their regular customers, who may be seen daily at their counters, purchasing their goods. All we saw were evidently satisfied with their purphables; were loud in the praises of the excellent quality of their stock, and sall were of the unantinous opinion that FUNCK & BRO. all the bost qualities, at lower prices, then any of their competitors. So car advice would be to you, one and all, both great and small, to give Fuxck & Bro. a call, and they will surely try to please you.
