Dr. Gustav Linnard's Taste Restorative Troches, the Great Substitute for Tobacco
Tis a well known and incomposertable fact that the
use of Tobacco is the promoting cause of many of the
most severe Mental and Physical Disorders to which the
race of man is subject, as careful analysis and long and
painful experience have clearly proven that it contains
certain narcotic and poisonous properties most dangerous
in their effects, which by entering into the blood derange
the functions and operations of the Heart, causing many
to suppose that organ to be seriously diseased.

TOBACCO affects also the retire nervous even; manifesting jugiffers all who have ever used the noxious
weed will bear testimony—in Lassitude, Nervous Irritability, Water Brash, Dyspepsia, and many other disorders of a similar character.

intestings will bear testimony—in Lassitude, Nervous Irritability, Water Brash, Dyspepsia, and many other disorders of a similar character.

THE TASTE RESTORATIVE TROCHES

Are designed to counteract these baneful influences, and have proved completely successful in a multitude of cases, and wherever, used. Being harmidely in themselves they exert a beneficial effect upon the entire system, restoring the Trate, which has become villated or destroyed by great indulgence, completely removing the irritation and accompanying tickling sensation of the Threat which are always consequent upon abstaining from the use of Tobacco, and by giving a healthy tone to the Stomach, invigorate the whole system.

Persons whe are irretrievably undermining their constitutions and shortening their lives, should use these troches or lozeinges are put up in a convenient and portable form at the low price of 50 Cents per box. A liberal discount to the trade. Prepared solely by the undersigned to whom all erders should be addressed.
