A' lady having written a letter, concluded it as follows: - "Give everybody's love to everybody, so that hobody may be aggrieved by anybody being forgotten by somebody."

LEGAL TENDER .- Silver dollars of U. S. coinage are a legal tender to any amount; three cent pieces to the amount of 30 cents only, and 5, 10, 15, and 50 cent pieces to the extent of five

THE SCHOOL FOR GOOD MANNERS .- As George III wat ence walking the quarter-deck of a manof-war, with his hat on, a sailor neked his messmate "who that fellow was who did not douse his peak to the admiral!" "Why it's the king." "Well king or no king," retorted the other, "he's an unmannerly dog!" "Why, where should be learn manners? replied Jack; "he was never outside of land in his life."

Tired or seeing You Round .- They have a juvenile prodigy at Boonville. A "wee bit of a boy." astonished his mother a few days since .-She had occasion to chastise him slightly for some offence he had committed: Chariey sat quietly for some time afterwards, no doubt thinking very profoundly. At last he brokeout thus. "Mozzer, I wish pa'd get anuzzer honsekeeper, and let you go." "Why so my son ?" "Cause I've got tired seein' you round.

We would invite attention to the advertisement of Mr. J. W. Bradley, of Philadelphia. He has recently issued "Dr. Livingstone's Travels and Explorations during a residence of Sixteen Years in the Wilds of Africa"-a work of thrilling interest, and one of the mose popular and valuable over printed. It is the only cheap American edition ever published, and is having, deservedly-an immense sale.

Mr. Bradley is one of the largest publishers in Philadelphia, and he offers such inducements to young men and others, to act as Agents for him, that we think active and energetic men might do a very profitable business by selling his new and popular books in this vicinity.

THE VICTORIES OF SCIENCE.

'NO SUCH WORD AS INCURABLE.

"Your system is breaking up," says the senten-"Your system is Dreaking up," says the senten-tious practitioner, who sees the bodily strength of his patient sinking day by day, and has adminis-tered all his hackneyed stimulants in vain. This is Sir Oracle's ultimatum, and he leaves the vic-tim of debility, like a stranded wreek, to "sink or swim, survive or perish," as fate may deter-mine. But let the invalid, though abandoned by profusional experimentalists, he of good choor professional experimentalists, be of good cheer.
It is in such crises as these that the restorative
power of Holloway's remedies is most triumphant. demonstrated. No matter from what cause the prostration may arise, whether it be the conse-quence of specific disease; or merely symptoms of its approach, Holloway's Pills will arrest the evil. The system does not break up spontaneously. Morbid influences are at work somewhere in the vital organization, and wherever they may lie in ambush this searching remedy will work its my to them and neutralize them

It is unnecessary to describe the terrible men-tal depression which accompanies great bodily weakness and debility. Acute pain is more tolera-ble; For the Physical and mental energies rally to meet it; but when the muscular and nervous systems are completely relaxed, the appetite gone, and the very principle of vitality seems to be departing, the mind sinks into despondency and despair. In such an exigency, immediate relief may be invariably derived from a course of Hol-loway's Pills. Their effect is not merely to recu-perate the physical powers, but to repair and re-pair and renovate the shaken constitution. In India, where the climate and luxurious habits tend to produce premature decay both among the European residents and the native princes, the restorative action of the Pills is proverbial; and in this country they have been pronounced by high medical authority the best remedy for general weakness and debility that has yet been offered to mankind.—N. Y. Lot. Pol. Gazette.

The Result in Lebanon County. we give the returns of the election, yesterday, in this county .-There being scarcely any opposition to the Republican ticket, (we not having a county ticket in the field,) they had entirely their own way. The Democratic vote lacks upwards of 1000 votes of the full poll, while the opposition is July List for November Term, '58.

The grand fight in Philadelphia was to defeat Florence, for Congress. In that they did not succeed. Florence is re- elected by 500 Plurality.

Martin, Phillips, Landy and Owen Jones, are all defeated for Congress.

The election of J. Glancy Jones in doubt, but he will no doubt yet come all right. The returns are not all in. Hickman in the Chester district is

probably re-elected. Roberts, dem., in the Bucks district, is elected to Congress.

Stevens is elected in Lancaster. Ohio and Indiana have apparently

gone against the Democrats. Elorida has given an immense demo

HODGSON'S CHEMICAL

Blue Black Writing Fluid.

WARRANTED equal to any, either American or Foreign. Its advantages over other ink are:

1st—PERKECT LIMPIDITY—flowing entirely free from the pen, and therefore eminently adapted to the most rapid writing—saving about half the time over coarse common ink.

2d—NOT CLOGGING or "GUMMING" the pen.

3d—But little tendency to corrode steel pens compared with others. with others.
4th—Rarely, if ever, becoming mouldy.
5th—The color, at first delicately BLUE, becomes soon afterwards PURELY BLACK, and NOT BROWNISH black.

black.
6th—Being an actual dye, it is more DIFFICULT TO
ERASE than common ink.
7th—The writing executed with this perfectly limpid
fluid, has a more delicate and beautiful outline than that
written with common ink; and a freedom of hand is
more readily attained.

CONTINUED pain or uncasiness in any organ is generally cured by one or more doses of Brandreth's Pills. Thirty years's personal experience by the undersigned fully justify this assertion.

Dr. James Lull, of Potsdam, N. Y., says:—"I have cured the most deplorable costiveness of the bowels with Brandreth's pills, when every other remedy and falled, and the patient was given up to die. Skin diseases of an inveterate and posinful character, such as erysipelas, sait rheum, tetter and summerheat, I have seen cradicated by their use. I have cured the rheumatic, the epileptic the paralytic and the consumptive with these excellent pills alone."

OBSTRUCTION.

A young lady, beautiful and healthy, took cold, which caused a serious obstruction for 2 years; her health was broken down and her beauty departed. At length Brandrett's Pills were tried; eleven doses, of from two to four, were taken in fifteen days preceding the usual period—Regularity was restored, and her health and good looks recovered.

Brandreth's Pills are the best vermifuge; they are infallible. A little child, six years old, for some weeks was drooping; its mother gave it of Brandreth's sugar coated pills; the next day there came away a worm sixteen inches long, and as large as a child's finger. The bild was well.
