WM. M. BRESLIN, Editor and Proprietor. LEBANON, PA.

WEDNESDAY, OCTOBER 27, 1858.

Resignation of Judge Porter Wm. A. Porter has tendered to Gov. ted in the letter which will be found the past few days." below. They must be satisfactory to every reflecting mind, as they bear upon their face the honest convictions of a man who is not afraid to state facts in their plainest dress, and express his opinions in the teeth of popular clamor and partisan insanity. The retirement. of William A. Porter from the Bench is a serious loss to the Judiciary of his native State. This is acknowledged by all who have had occasion to examine the opinions delivered by him since his appointment. They are full lic have seen but the first sheaves .-The letter of resignation is as follows:-

PHILADELPHIA, Oct., 16th, 1858. His Excellency Wm. F. Packer, Governor o. Penneylvania-Dear Sir: On the first day of your entrance on official duty, I received from your hand a commission as a Judge of the Supreme which produced it. On receiving the appointment, I thought that being a Judge, actually sitnot to write a political letter, nor make a political decision. speech. In the first place, I was not willing to hide with my claims to the office, however small, in the shadow of a mere political question. In the next place. I was and I am thoroughly convinced, by reading and reflection, that whenever a Judge can be elected by reason of his sentiments on any question of politics, that moment the real power of the judical office will disappear Possibly this may be very erroneous doctrine very inopportunely expressed, but I shall maintain it, while I possess a moral sense or retain rational faculty. In the certain prospect of a defeat far more disasterous, not one hairsbreadth of it should be abated.

The reverse which has occurred to the party is of less consequence than we are apt to suppose. The Democratic party is coval with the government itself, and it will exist so long as the Republic endures. Within its ranks-men will always be found, who remain there only to do with The point of its lowest depression is that from which it will, of necessity, begin to rise. At this moment, I solemnly believe it to be the best and strongest political organization which has ever existed for preserving the interest of the whole country.

Now to the point. I am not weak enough to 3000 majority. suppose that the enclosed commission has had much to do in causing the present political excitement. Nevertheless, it is plain that the people of Pennsylvania prefer another person as a Judge of their Supreme Court. In these circumstances, it seems to me a simple dictate of delica. cy and propriety to retire from the office. In addition to this, I ought to state that there are several important causes pending in which I wish to take part as counsel, and these require immediate attention. I, therefore, enclose my resignation. The office was tendered by you very kindly, without solicitation on my part. I resign it gratefully, and without, as I hope, having brought upon it a stain of dishonor. Less was am not conscious of an act which does not meet the approval of my own sense of duty. To yourself personally, and to those friends who are sending me their sympathy, I beg to say, in a word, that there is no cause for regret. I return to a profession which I was conscious of abandoning too soon, and to a position at the bar as honorable as that which is now relinquished, and so much more remunerative, that comparison is out of the question. Certainly, I ought to regard it no hardship to exchange for the comforts of home, that wandering life which the laws of Pennsyl. duous and unrequitted work.

Wishing you a prosperous administration of WM. A. PORTER.

BRANDRETH'S PILLS

PURIFY THE BLOOD.

ONTINUED pain or uneasiness in any organ is generally cured by one or more doses of Brandreth's Pills. Thirty year's personal experience by the undersigned fully justify this assertion.

Dr. James Lull, of Potsdam, N. Y., says:—"I have cured the most deplorable costiveness of the bowels with Brandreth's pills, when every other remedy and failed, and the patient was given up to die. Skin disenses of an inveterate and painful-character, such as crysipelas, sait rheum, tetter and summerheat, I have sone eradicated by their use. I have cured the rheusantic, the oplication by their use. I have cured the rheusantic, the oplication alone."

alone."

In jaundice and all affections of the liver, dyserials, dysentery and distributed plantisty, sudden pains and inflamations, female obstructions, scorbutic and scrofulous, even gouty and neuralgic affections, have given way to the use of this medicine, and now, after twenty' experience, my estimation of Brandreth's Pills continues to increase. OBSTRUCTION.

A young lady, beautiful and healthy, took cold, which caused a serious obstruction for 2 years; her health was broken down and her beauty departed. At length Ecandreth's Fills were tried; eleven doses, of from two to Sur, were taken in fifteen days preceding the usual period. Regularity was restored, and her health and good koke, ecovered.

WORMS. .

Brandreth's Pills are the best vermitage; they are in-fallible. A little child, six years old, for some weeks was drooping; its mother gave it of Brandreth's sugar-coated pills; the next day there came away a worm sixteen inches long, and as large as a child's finger. The child was well.

was well.

PLEURISY:

A gentleman, away from home, was taken with pleurisy; the inflammation was terrible; every breath made him writh swith agony. Eight Brandreth's Pills. were swallowed, and warm oil applied locally; the pills. operated, and the pain was relieved; plenty of grael, was taken, and six more pills, and the second day the patient was cured. and six more pills, and the second day one panent, was cured.

These statements should have weight, and prevent the use of poisonous drugs, and stop the sad practice of bleeding.

Brandreth's Pills are sold at the Principal Office, 294,
Canal street, Brandreth's Euilding, at 25 cents per box; and the same, sugar-coated, 13 cents, warranted to keep, as well as the plain.

Sold by Dr. though Ross, Lebanon.
