BRANDRETH'S PILLS

FUNITY THE BLOOD.

CONTINUED pain or uneasiness in any or is generally cured by one or more doses of Brandreth's Pills. Thirty year's personal experience by the undersigned fully justify this assertion.

Dr. James Lull, of Potsdam, N. Y., says:—"I have cured the most deplorable costiveness of the bowels with Brandreth's pills, when every other remedy and failed, and the patient was given up to die. Skin diseases of an inveterate and painful character, such as erysipelas, salt rheum, tetter and summerheat, I have seen eradicated by their use. I have cured the rheumatic, the epileptic the paralytic and the consumgive with these excellent pills alone."

In jaundice and all affections of the liver, dyspepsia, dysentery and diarrheca, pleurisy, sudden pains and inflamations, female obstructions, scorbutic and scrofulous, even gouty and neuralgic affections, have given way to the use of this medicine, and now, after twenty' experience, my estimation of Brandreth's Phils continues to increase. OBSTRUCTION

OBSTRUCTION.

A young lady, beautiful and healthy, took cold, which caused a serious obstruction for 2 years; her health was broken down and her beauty departed. At length Brandreit's Pills were tried; eleven doses, of from two to four, were taken in fifteen days preceding the usual period.—Regularity was restored, and her health and good looks recovered.

Brandreth's Pills are the best vermifuge; they are infallible. A little child, six years old, for some weeks was drooping; its mother gave it of Brandreth's sugar coated pills; the next day there came away a worm sixteen unches long, and as large as a child's finger. The child was well.

A gentleman, away from home, was taken with pleuris; the inflammation was terrible; every breath made him writhe with agony. Eight Brandreth's Pills were swallowed, and warm oil applied locally; the pills operated, and the pain was relieved; plenty of gruel was taken, and six more pills, and the second day the patient was curred.
