Skin diseases of an in-veterate and painful character, such as erysipelas, salt rheum, tetter and summerheat. I have seen eradicated by their use. In jaundice and all affections of the liver, dyspepsin, dysentery and diarrhea, pleurisy, sudden pains and in-flamations, female obstructions, scorbutic and scorfulous, even gouty and neuralgic affections, have given way to the use of this medicine, and now, after twenty' exper-ence, my estimation of Brandreth's Pills continues to in-crease.

### OBSTRUCTION.

OBSTRUCTION: A young lady, beautiful and healthy, took cold, which caused a serious obstruction for 2 years' her health was broken down and her beauty departed. At length Braud-reth's Pills were tried; eleven doses, of from two to four, were taken in fifteen days, preceding the usual period.— Regulariky was restored, and her health and good looks recovered.

## WORMS.

WORMS. Brandreth's Pills are the best vermifuge; they are in-fallible. A little child, six years old, for some weeks was drooping; its mother gave it of Brandreth's sugar coated pills; the next day there came away; a worm sixteen inches long, and as large as a child's finger. The child was well.

was well. A gentleman, away.from home, was taken with pleuri-sy; the inflammation was terrible every breath made him writhe with agony. Eight Brandreth's Pills were swal-lowed, and warm oil applied locally; the pills operated, and the pain was relieved; plenty of gruel was taken, and the rain was relieved; plenty of gruel was taken, and six more pills, and the second day the patient was cured.

Brandreth's Pills are sold at the Principal Office. 294 Canal street, Brandreth's Euilding, at 25 cents per box; and the same, sugar-coated, 13 cents, warranted to keep as well.as the plain.
